

AGEMENT OF ONE OF THE POPULAR PHI DELTA MEMBERS ANNOUNCED

The table was beautifully decorated. The centerpiece consisted of the choicest fruits artistically arranged. The Phi Delta girls were the guests of one of their members, Miss Wilmena Watson, at her residence, 2925 Grant street. They filed in and took their places around the hospitable table and under the pleasing glow of the lights. One of them proceeded to investigate what looked like place cards that peeked out here and there beneath the heavy grape clusters which were a part of the centerpiece. And this is what the Phi Delta girls read when the innocent appearing cards were investigated:

"Mr. and Mrs. W. B. Watson announce the engagement of their daughter, Wilmina, to Mr. Wade Hampton Green."

Exclamations, interrogations, congratulations filled the air. Eating was forgotten and peace was not established until the information was obtained that the big event would take place about the middle of December.

During one of the pleasantest evenings the club has ever spent, discussion brought out the fact that all the presidents of the club have married. Immediately all the unmarried members of the club began campaigning for the office that seems to bring such coveted results.

N. A. A. C. P. COMPLETES ANNUAL ELECTION OF OFFICERS

The branch met at 4:30 o'clock Sunday afternoon at Grove M. E. church and completed the election of officers.

Rev. John Albert Williams, the retiring president, made his farewell speech, thanking the association for their forbearance with him during his term of office. "As your president," he said, "I have made every effort to serve your best interests always and any errors that may have been made were of the head and not the heart. The success of any administration depends upon the extent in which it strives to serve the best interests of

the people, and the manner in which the executive committee and the floor upholds the hands of him who sits in the chair. With this gavel I extend to the newly-elected president, Mrs. Jessie Hale Moss, and her executive committee my best wishes. There should be the greatest harmony between the president and the executive committee and with the slate as elected, there is every reason for believing that harmony and identity of interest will prevail."

Mrs. Jessie Hale Moss then took the chair and urged a large attendance the following Sunday, promising the association that the newly-elected president would make her address and outline her policies on that occasion. The branch adjourned to meet next Sunday afternoon at St. John's A. M. E. church.

BUSINESS TRAINING FOR NEGROES

Without a sufficient number of well-trained Negro men and women it is impossible for the business enterprises now owned and operated by progressively efficient Negroes, to meet keen competition and at the same time to make substantial advancement. It is easier to get capital than it is to get efficient employees. Wherever a Negro is doing a good standard business, we should patronize him. We should not, however, patronize an enterprise merely because it is owned and operated by a Negro, but the high standard of the business should invite and warrant our patronage.

When we patronize Negro business enterprises we not only supply ourselves with the necessities, the immediate wants in life; but we help to encourage and build up enterprises that are providing lucrative employment of high grade for an immense army of Negro men and women for whom it would be impossible to secure a similar grade of employment elsewhere. Such patronage increases faith in and respect for ourselves, and causes us to believe in the work we are doing.—Southern Workman.

NEGRO DOCTOR, MECHANOTHERAPIST RECOMMENDED BY WHITE MAN

Mr. A. Theodore, Home Bulder, Real Estate and Insurance, a well known and popular business man of this city, takes this opportunity in recommending to the public Dr. J. L. Green, Mechano-Therapist as a scientific and competent practitioner in handling human ailments.

"For two years or more I had been suffering with a complication of diseases. I had gone to Excelsior Springs, Mo., and were treated for three weeks with but slight benefit. And was contemplating going away gain somewhere in search of health. But was told about Dr. Green and his wonderful success in handling complicated cases, I at once called upon him and had him diagnose my case and went under his treatment and care. I commenced to improve from the first treatment, and felt that I was going to get well. I now feel as well as ever, after taking only fifteen treatments. I shall now have Dr. Green give me about two treatments each week for a while. I am sure to take a few of these treatments occasionally will defeat old age many years and keep one in health and vigor.

ATTORNEY SCRUGGS WINS LEGAL VICTORY

Andrew Webb Accused of Assaulting Twelve-Year-Old Girl With Intent to do Great Bodily Harm is Acquitted by Jury in District Court.

In the face of the adverse public sentiment which obtains in Omaha at this time against Negroes accused of crime against white women and girls, Attorney Amos P. Scruggs scored a great victory Monday before Judge Sears in the district court, when a jury after twenty minutes deliberation brought in a verdict of acquittal for his client, Andrew Webb, who was accused of entering the residence of Mr. Larson, 3329 Ohio street, about 5 o'clock in the afternoon of August 8, trying, gagging and striking his twelve-year-old daughter and ransacking the house for money and Liberty bonds. Margaret Larson who, in struggling with the robber, tore a handkerchief from his face, identified Webb, who has been employed for three years in a laundry in different section of the city and on the day in question stopped work at 4 o'clock, as the man. Several witnesses testified that Webb was at his home, 814 North Nineteenth street, at the time the crime was committed. Scruggs in his argument contended that industrious men like Webb's employer testified the accused was not the disreputable who are committing such detestable crimes.

The same day Attorney E. F. Morearty secured a verdict of acquittal for another colored man, Pierce, who was held for highway robbery. The jury in this case was out only fifteen minutes.

These are the first two cases within a year in which Negroes accused of felonies against whites have been acquitted. When the times are considered, these are signal victories.

BISHOP SHAYLER VISITS ST. PHILIP'S

Large Congregation Greets Nebraska Prelate Who Speaks at Special Vesper Service Sunday Night.

The Rt. Rev. Ernest Vincent Shayler, Bishop of the Diocese of Nebraska, was greeted by a large congregation Sunday night at 6 o'clock, when he visited the Church of St. Philip the Deacon, for the first time since his consecration. Bishop Shayler spoke on the nation-wide campaign which the Episcopal Church has inaugurated for mobilizing the spiritual forces of the great Anglican communion in helping make America truly Christian. The bishop's address made a profound impression upon the congregation. He will visit St. Philip's at some subsequent date to administer the Sacrament of Confirmation.

Next Sunday night at 8 o'clock, Mr. Henry R. Gering, a prominent business man and chairman of the Nation-Wide Campaign, will speak at St. Philip's. It is hoped that a large number of men will attend this service.

Last Sunday morning a large congregation was present when Father Williams spoke on the Nation-Wide Campaign.

The services next Sunday will be at the usual hours—7:30, 10 and 11 a. m. and 8 p. m.

Sunday morning at 10 o'clock Mr. Thomas Reese will begin instructing an adult Bible Class by special request. All adults welcome.

The regular meeting of the Women's Auxiliary will be held Wednesday, November 26, at the residence of Mrs. Silas Johnson, 2518 Lake street. All members are urged to attend.

"TACKEY" PARTY CAUSES GREAT MERRIMENT

A committee consisting of Mrs. Joseph LaCour, Mrs. Bayliss Pegg, Mrs.

J. H. Crawford, Mrs. H. R. Roberts and Mrs. Robert T. Walker planned and carried out a successful and amusing tackey party, as one of the social features for St. Philip's congregation and friends, in the War Camp Community Service Rooms at Columbia hall, Tuesday night. The outlandish and nondescript costumes created great merriment. The prizes for the "tackiest" dressed man and woman were awarded to Mrs. L. E. Britt and Dr. P. W. Sawyer, whose costumes were described as a scream.

World's Debt to the East.

Civilization was born in the East. For ages letters, art, religion flowed westward from Asia. When Europe was a wilderness, peopled only with savage, wandering tribes, learning and government flourished beyond the Dardanelles. From Armenia, Syria and Persia came both the Jewish and the Christian religions, the alphabet and much of science. Long since the tide turned. Civilization among these eastern peoples began to ebb, and they have slipped far back toward their pastoral days.
