**RALPH SNYDER, ALLEGED
 RIOTER, ON TRIAL
 IN DISTRICT COURT**

RALPH Snyder, charged with conspiracy to commit murder in connection with the lynching of William Brown, is on trial before Judge Redick. Several state witnesses occupied Tuesday in testifying against the accused.

Chief of Detectives Dunn, Detectives Dolan and Sutton and a number of others testified to having seen Snyder and "Froggie" Howard, who is also named in the indictment on a similar charge, in the crowd that broke in the doors of the court house with a cannon. No testimony was offered, however, directly connecting Snyder with the lynching of the Negro. Other state witnesses will be introduced.

W. H. Wright, 2712 California street, identified Snyder as the youth who mounted a police car after the Negro had been lynched and spoke to the crowd, telling them that they had accomplished their purpose and warning them not to go to North Twenty-fourth street, as the Negroes in that vicinity were all armed.

The trial of "Froggie" Howard will probably be heard some time this week.
