## CHANGE IN MONITOR ADVERTISING RATES

Because of our keen appreciation of all our Monitor patrons, we have been loath to increase our prices until forced to do so.

The increased cost of everything that enters into the making of a newspaper necessitates an increase in our advertising rates.

Beginning with the first issue in February advertising rates will be as follows:

Display advertising—75 cents per column inch for single insertions.

Classified advertising—4 cents a word, or 20 cents per agate line.

Time or space discounts furnished on request. Contracts can be made at the office, 304 Crouse block, or call Douglas 3224 and our representative will call on you.

The Monitor is prepared to give its clientele in 1920 a larger circulation and better service than in 1919. Growing, thank you.

New York, Jan. 28.—For the first time in the history of the Shorthand Writers' Association of the City of New York, colored students were invited to compete in the shorthand contests held Saturday, January 17, at Kells school. The N. Y. academy, of which Rev. Mr. Justice is director, sent six students to compete. Of the six four were winners of prizes and certificates.

The Shorthand Writers' association congratulated Mr. Justice and the N. Y. academy on their excellent showing.

## BRITISH ISLANDS PROTEST SALES TO UNITED STATES

Bridgeton, Barbadoes.—Lord Rothermere's suggestion that Great Britain sell to the United States, Bermuda, British Guiana and the West Indies Islands except Jamaica, to pay for British war debts, have been denounced by most of the newspapers, and public meetings and legislative councils have also protested against the project.

The West Indian deal is to have at some future time a West Indian dominion, embracing all the Atlantic and Caribbean possessions of Great Britain.

## ALABAMA TAKES THE COUNT FROM GEORGIA

Begins Favorite Southern Pastime By Lynching Boy and Riddling Body With Bullets.

Mobile, Ala., Jan. 28.—Alabama has beaten Georgia to it in opening up the favorite southern sport. A posse of citizens lynched a boy at Florala, near here, last week, after he had been accused of attacking Mrs. Robert Haines, a white woman. He was accused of waylaying the woman. After the prisoner had been strung up his body was riddled with bullets.

## WHAT THE MONITOR THINKS ABOUT IT

(Continued From Page One.)

Gordon. Suffering as we do, as a race, at the hands of mobs we cannot afford, however extreme the provocation, to become mobbists ourselves. We must stand ready, like all good citizens, to give testimony against any law-breaker, black or white, that he may be lawfully punished. We should all be vitally concerned in seeing that offenders of our race, because of our vicarious suffering, are brought to justice; but we must insist upon lawful procedure. We must stand uncompromisingly for law and order. We cannot protest against mob violence and be guilty of it ourselves.

The action of the Sheridan mobocrats who flogged Gordon is indefensible and most regrettable. If officers of the N. A. A. C. P. took part in it, they should be, and doubtless will be removed from office, as they have violated the very fundamental principles for which the association stands and that is the suppression of mob violence and the impartial enforcement of law. Herein the safety of the rights of all citizens lie and upon this impregnable rock the perpetuity of the republic and civilization rests.

Whatever any other group of our American citizens may feel justified in doing colored Americans must always be found, as we have frequently said before, on the side of law and order, no matter how great the provocation or how strong the temptation may be, to do otherwise.

## BOY SCOUTS.

Our Scout organization was perfected at the last meeting, enough boys are now enrolled to divide up into patrols. The patrols are as follows: The Beaver Patrol with Martin Thomas, leader, and members of the patrol: John Horton, John Lewis, Maceo Farrell, Harry Lewis, Thomas Phillips, Millard Carr, Joseph Dorsey, Delroy Moore.

The Panther Patrol, with Henry Gordon, leader; William Chambers, Alliehue Wilson, James McRae, William Dudley, James Jewell, Thomas Chandler, Vasco Dodson.

The Crow Patrol, with Worthington Williams, leader; William Lewis, Edward Todd, Chester Ball, Jesse Lee Glover, Thomas Love, Raymond Miller, Charles McRae.

Dr. Madison gave the boys their

first course in first aid and massage to the injury, which was indeed interesting and the boys paid great attention while he demonstrated several things.

To Henry Gordon, leader of the Panther Patrol, goes the honor of being the first scout to pass his second class scout test, and was awarded the second class badge at the meeting.

The scout council are as follows: Father John Albert Williams, Dr. Peebles, Mr. I. Bailey, Mr. Anderson, Mr. Edward Turner and Mr. Philip Letcher. They held their first meeting in which Father Williams was elected chairman. Mr. Hoyt, the Scout Executive of Omaha, was with us and was delighted at the progress our organization has made in such a short time.
