

COLORED COMMERCIAL CLUB BULLETIN

Boys and girls, watch this column for the announcement of Dan. Desdunes, chairman of the municipal affairs committee, who is going to offer a prize for cleaning up tin cans on premises and in alleys near your home.

Last Thursday night's meeting of the Executive Committee was cut short by a motion to adjourn and attend the Community Club entertainment downstairs. President Pryor put the motion, which was carried unanimously, and led by the president, the whole bunch including Al. Jones, who is a bunch all by himself, took in the pageant "The Soldier's Dream." Alfred Jones insists that enterprising men ought to organize a Building and Loan Association to help build homes and finance worth-while business enterprises among our people. He's right. This is something he harps on at nearly every meeting. It's a practical idea that ought to be put across.

\$5,000 APPROPRIATED FOR COMING MEETING OF BUSINESS LEAGUE

A Last Pre-Campaign Word From the Secretary of the National Negro Business League — Nation-Wide Campaign of League Now Under Way.

To Colored Business Men and Women: "A committee from the Local Business Men's League, headed by Chas. H. Brooks, well known broker and publicist, and composed of the following: James H. Williams, Mr. Carson, Andrew F. Stevens, Edward W. Henry, E. C. Brown and Dr. Sinclair, the latter two of whom with Mr. Brooks made speeches in support of their request, visited the City Council's Committee on Celebrations Friday, May 7th, and asked for an appropriation of \$5,000 toward defraying the expenses of the convention of the National Negro Business League, founded by the late lamented Booker Washington, which will convene in Philadelphia August 18, 19, 20, 1920. It is gratifying to know that all factions of the Republican party were enthusiastic in recommending the appropriation."—Philadelphia American.

The above is an indication of the spirit in which the Nation is receiving the work of the National Negro Business League and is proof positive that the new program outlined at St. Louis last August is endorsed by both white and colored people and viewed in the light of a workable, practical means for promoting business ideals among the colored people and amicable relations between the two races.

Sunday, May 23rd, marked the beginning of the great Nation-Wide Spring Membership Campaign with the special sermon based on Proverbs 22-29, being preached in every section of the country. Rev. Emory B. Smith, pastor of the Lincoln Memorial Congregational Church of Washington, D. C., preached the Official National sermon at his church at the morning service.

The Headquarters of the National Negro Business League serves as a clearing house for the Nation's Negro business. It cannot be maintained without the hearty co-operation of the individual Negro American. Line up with your Local League and do all in your power to make your local campaign a success. Keep us advised of your activities.

Sincerely yours,
EMMETT SCOTT,
Secretary.

YOUR LIBERTY BOND.

The United States Government borrowed money from you to finance the War. You hold the Government's promise to pay you back. This promise is called a Liberty Bond or Victory Note. On this Bond is stated the conditions under which the Government borrowed the money from you. For instance: If you hold a Bond of the Third Liberty Loan, it states that on April 15th and October 15th of each year until maturity, you will receive interest on the amount you paid for the Bond. Other issues bear other rates of interest and other maturity dates, all of which are clearly stated on the Bond.

Now, if you keep your Bond until the date when the Government pays you in full for it, you do not need to worry if, in the meantime, the price is low one day or high the next. You and Uncle Sam are living up to your agreement with each other, and neither will lose by it.

On the other hand, if you sell your Liberty Bond now, you will find that the man you sell it to will not give you a dollar for every dollar you paid for it. The price has been brought down because so many people are offering to sell their Bonds. If the market is flooded with tomatoes, you can buy them cheap, but if everyone is clamoring for tomatoes and there are few to be had, the price goes up. The same is true of Liberty Bonds. Short-sighted people are dumping them on the market, and wise ones are buying them.

The best advice that can be given to the owner of a Liberty Bond is this: Hold the Bond you bought during the war; it is as safe and sound as the United States Government itself.

Buy as many more at the present low rate as you can afford. If you hold them to maturity, you are bound to make the difference between what they sell at now and their face value. You will also receive good interest on your investment.

Hold on to your Liberty Bonds and buy more.

The high ways of life often lead to the deepest cellars of existence.
