ARTICLE XIV. CONSTITUTION OF THE UNITED STATES.

Citizenship Rights Not to Be Abridged.

1. All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty, or property without due process of law, nor deny to any person within its jurisdiction the equal protection of the laws.

BEING PLEASANT

It is always better to be pleasant than grouchy. We are a sunny dispositioned people and should never lose this admirable characteristic. It is a most valuable asset.

CLEANING UP TIME

It is time to clean up. Get those tin cans off of your premises and out of the adjacent alleys. Have the ashes hauled away. Mend the broken fences. Plant your garden. Plant flowers. Plant shrubbery. Pull all together for a more beautiful Omaha.

GOD'S IN HIS HEAVEN

People are beginning to believe this when they read that nine persons have been indicted in Georgia for lynching a black American. Surely, the consciences of men are being awakened to a sense of justice.

"FREE" BRIDGE

May 3rd we are to be called upon to vote on the proposition of a so-called "free" bridge between Omaha and Council Bluffs. Vote "No" on the proposition. It is simply saddling additional taxes upon the people of Omaha without commensurate benefits to the city. Let those who use the bridge pay for it. The arguments which have been appearing as advertisements in this paper are sound. Read carefully and act accordingly.

NO DISAGREEMENT

They are telling us that we must elect commissioners for the city of Omaha who will not disagree and wrangle. Nonsense. It would be a calamity to elect men who will always agree on everything. There would be no progress. We want men with convictions of what they believe to be for the best interests of the city and who have courage to stand up for what they believe to be best, surrendering only when they are shown "the better way."

HOME IMPROVEMENT

A most commendable movement to have our people beautify their homes has been started. The idea is to encourage our people everywhere, no matter how humble may be their surroundings, to plant grass seed and flowers and make their homes attractive. Mrs. Florentine F. Pinkston as chairman of the committee on hygiene and sanitation, is actively at work encouraging the people to make their home surroundings cleanly and sanitary as well as beautiful. It is a splendid movement and will bring good results. Let everybody do his share and let us see who will have the prettiest neighborhood.

VOTE AS YOU THINK BEST.

To hear the advocates for the two respective "slates" in the field one would be lead to believe that unless its particular slate is chosen Omaha is doomed to destruction. This of course is sheer nonsense. Believe it not. Whatever set of men may be chosen the city government will continue to function. The Monitor has faith enough in our citizens to believe that every man who is elected will strive to do his duty as he sees it for the best interest of the city. Much talk about "Ringerism," "Dennisonism," "Dahlmanism," etc., is mere political pyrotechnics or fireworks, incidents of spirited campaigns. Vote according to your conscience and convictions and don't damn the other fellow who does the same thing. Make Omaha a larger and better city.

HELP FINISH THE FIGHT FOR GOOD GOVERNMENT

For the first time in the history of Omaha, the Police Department, is controlled by the men elected by the people and not by influences outside the City Hall. Dean Ringer, the head of the Police Department, has given the Negro a square deal in his appointments.

W. G. Ure, also, has treated Negro citizens of Omaha fairly in his appointments.

Father John A. Williams will tell you that Judge Sutton was fair to the Negro when he was on the bench as a district judge.

You are just as interested in clean government, a police department free from the control of vicious interests, and impartial enforcement of the law, as any other citizen, and that is what Ringer, Ure, Sutton, and their associates on this ticket, are pledged to give you during the next three years.

The attitude of the vicious forces opposing this ticket toward the Negro race is best measured by their actions at the time of the court house riot.

General Leonard Wood and John W. Towle, foreman of the grand jury, agree that an organized revolt against law and order was responsible for the riot.

At that time the worst element in the city, and the same element that is now supporting the opposition candidates, was ready to bring on a race war and sacrifice the lives of scores of innocent people, if by so doing they could have regained control of the police department.

What they failed to do then by violence they are trying to do on May 3 at the ballot box.

Do you want Omaha to return to the days when you were exploited and used by men and interests who cared nothing for you?

Are you going to vote for men who are ready to sacrifice you to further their own selfish and vicious purposes, or are you going to vote for men who will give you a square deal and make Omaha a safe city in which you and your children may live and prosper?

We believe you will vote for a clean city, for law enforcement, and for Ringer, Ure, Sutton, and their associates on this ticket.

Don't scatter your votes. One vote for any candidate on the Gang slate will mean a vote against every one of the Good Government candidates.
