APPEAL

Tulsa's Colored People have not the earnest attention of the nation, because the associated press reports do not state in a manner, that will stimulate a desire to give relief, the cruel conditions that have and do exist. Official Tulsa and therefore Tulsa at large is NOT helping in proportion to the appalling need. People are without stoves, cooking utensils, quilts and bedding of all kinds—the merest necessities of existence—and ready money.

ALL THEY HAVE LEFT IS COURAGE TO FACE THE FUTURE.

Mr. James L. Fieser, Southwestern Division Manager of the Red Cross said: "Winter's approach worries the Red Cross." Unless Tulsa wishes to have a tent colony on its hands in the fall and face a more serious problem, it should speed up its reconstruction program. He sees a big job ahead here for Tulsans and that now the financial end of the undertaking is the most important feature. MONEY IS NEEDED FOR RELIEF AND NEEDED BADLY.

WE APPEAL TO YOU FOR HELP

September marks the beginning of the eight months' evangelistic campaign of Omaha Presbytery, in which St. Paul must be an earnest participant. Nothing so strengthens a people as true and intelligent Christianity. The topic of the morning sermon will be "Forward". The topic of the evening sermon will be "Heartfelt Religion." We are pleased to record that Miss Addie Thomas who suffered a severe nervous attack last week has improved sufficiently to resume her duties in the millinery department of the Nebraska Clothing Co., and also her valuable work in the Endeavor Society. Day is What One Makes It.

Every day that is born into the world comes like a burst of music and sings itself all the day through; and you shall make of it a dance, a dirge, or a life march as thou wilt.—Thomas Carlyle.

Old English Superstition.

An old Sussex (Eng.) cure for whooping cough is: Borrow a donkey, place the patient on its back with his or her face towards its tail and lead it to a certain spot fixed on in your own mind three times running for three succeeding days.

Yule for Christmas.

"Yule" is the old name for Christmas, and is still used in Scotland and the north of England, and retained in the term "Yule-log." It was originally in England and Scandinavia the festival of the winter solstice.

Question of Etiquette.

No, Roger, in bowing to the inevitable it is not necessary for one to lift one's hat.—Boston Transcript.
