The services were well attended all day Sunday beginning with Sunday School. We are enrolling members for new year. We had ten additions to the Sunday School.

The Superintendent requests that all teachers and Christian friends who want to go to Lincoln Sunday, January 20, to New Era Baptist Sunday School Convention of Nebraska, be at the Burlington station at 8:00 A. M. The train leaves at 8:25.

The morning service was conducted by Rev. E. C. Williams, Jr., of Helena, Ark. He preached a wonderful sermon.

B. Y. P. U. meets at 5:30 P. M. An invitation is extended to everyone to attend Bible Union.

The evening service started promptly at 8 o'clock sharp at which the Pastor delivered a very inspiring sermon. His subject was: "Fear Not, for those who are with us is more than those who are against us."

We had one addition to the church. There are many members on the sick list this week. We wish them all a speedy recovery.

Miss L. Webber was called out of the city last week on account of the death of her father in Georgia.

BILL FRAMED TO CUT IMMIGRATION QUOTA

Washington, Jan. 18.—Of special interest to the colored wage-earners is the new immigration bill to further reduce European immigration to this country by lowering the quota of each country to two per cent instead of three, as at present. The effect of this measure will be encouraging to the colored workers, who hope to make more permanent their places in the industrial life of the nation.

Advertising Talk

A hen is not supposed to have
Much common sense or tact,
Yet every time she lays an egg
She cackles forth the fact.

A rooster hasn't got a lot
Of intellect to show,
But none the less most roosters have
Enough good sense to crow.

The mule, the most despised of beasts,
Has a persistent way
Of letting folks know he's around
By his insistent bray.

The busy little bees they buzz,
Bulls bellow and cows moo,
The watch dogs bark, the ganders quack,
The doves and pigeons coo.

The peacock spreads his tail and squawks,
Pigs squeal and robins sing
And even serpents know enough
To hiss before they sting.

But man, the greatest masterpiece
That nature could devise,
Will often stop and hesitate
Before he'll advertise.

Merchants who are wise
And want our people's trade
Use THE MONITOR to advertise
And thus their fortune's made.
