A THOUGHT FOR THE WEEK

I would be TRUE for there are those who trust me,
 I would be PURE for there are those who care.
 I would be STRONG for there is much to suffer,
 I would be BRAVE for there is much to dare,
 I would be FRIEND to all the many friendless,
 I would be GIVING and forget the gift,
 I would be HUMBLE for I know my weakness,
 I would LOOK UP, and laugh, and love and lift.
 —Howard Walter.

THE PRIMARIES

THE PRIMARIES will be held next Tuesday. As the Monitor has hitherto pointed out to our readers it is the duty of all citizens to take an active and intelligent part in political campaigns. It is their duty to inform themselves, as fully as they can, upon the issues before the community, and the character of the candidates seeking nomination and election. The primaries are very important indeed. For it is there where the sifting out of the candidates is made. It is there where the voter expresses his preference for the candidates whom he believes will best serve the interests of all. We hope our people will realize the importance of their going to the polls Tuesday and voting according to their convictions. Be sure to vote Tuesday.

FOR GOVERNOR

THE MONITOR has not deemed it necessary to indicate a slate to the many readers who look to us for guidance. We have given information concerning some of the candidates which we believe will guide many voters. We have actively and are actively supporting only a few candidates. Among these stands first, our choice for governor, Adam McMullen, of Beatrice. We unqualifiedly endorse him, as being in our judgment, the very best man for the place. He is free from suspicion of being allied with or actively supported by organizations which are inimical to the safety and welfare of our country, and believing in him thoroughly as we do we urge our people to vote for him. Go to the polls Tuesday and nominate Adam McMullen.

JUDGE STAUFFER

LAST week we called attention to the importance of electing men of ability and fair-mindedness to the District Bench. We stated that the present incumbents were men of this character and that among other aspirants are men of high character whom we believe will make good judges. We desire now to call attention to one incumbent of the bench against whom we believe an unjust charge has been made and that is Judge Carroll O. Stauffer. It is being circulated that Judge Stauffer is a Kluxie. This is based upon a brief newspaper report of an address delivered by him a few weeks ago before the Parent-Teachers Association in which he said that one of the chief tasks before the world is the maintenance of "White Culture." The address pointed out the antagonisms and forces, chiefly in the old world, and culminating in the world-war which are threatening "white civilization", as it is called and "white culture". He spoke the absolute truth, an any student of history and current events knows. To charge Judge Stauffer with being a Kluxie because of this address is pure nonsense. Place against this address the general character, reputation and attitude of the man. Litigants and lawyers in his court are unanimous in their opinion as to his absolute fairness. He is an army officer, with the rank of major, and as he said to The Monitor, "My oath as a judge and as an army officer in which I swear to uphold the law of the land is absolutely incompatible with membership in an organization of that kind and in face of my oath I could not be a member without self-stultification." Those who know the Monitor know we have about as much time for a Kluxie, as the Devil has for holy

water. If we believed that Judge Stauffer were a Kluxie we would oppose him. We do not believe he is and as he is accounted by those in position to know an able, fair and upright judge we believe he ought to be retained on the bench.

CLEAN UP WEEK

NEXT WEEK is to be clean-up week. Everybody in Omaha should get busy cleaning up their premises and beautifying their grounds. Let us all pull together and make Omaha one of the most beautiful cities in the country. Clean up. Paint up. Spruce up.

FOR NATIONAL COMMITTEEMAN

WE believe that the best qualified man for the important position of National Committeeman is Charles A. McCloud of York. He is a man of broad experience and wide political influence and as such will be given recognition on the National Committee which it will be impossible for a less prominent man to secure. Elect McCloud.

CLERK OF DISTRICT COURT

ROBERT SMITH who has administered the affairs of his office as Clerk of the District Court with efficiency and marked ability is a candidate for renomination and election. His record is one to which he can point with pride. His office has been run without cost to the taxpayers, being made to pay its way. It is admittedly one of the best handled offices in Douglas county. Our people have representation in his clerical force. He is entitled to reelection. Vote for him.

SOME POLITICAL POINTERS

ADAM McMULLEN is the best man to nominate for Governor.

CHARLES A. MC CLOUD is the man for National Committeeman.

ROBERT R. STREHLOW, candidate for Public Defender, introduced the Anti-klan bill in the last legislature. He is a member of the N. A. A. C. P.

ISAAC KONECKY, candidate for City Commissioner, has always had the courage of his convictions, believes in a square deal to all and is well known among our people. He is a member of the N. A. A. C. P.

THOMAS F. STROUD is remembered favorably by many of our citizens for his generosity following the tornado. He is a successful business man and a candidate for City Commissioner.

ROBERT SMITH, as Clerk of the District Court, is entitled to renomination and election.

KLAVER for County Assessor will make good on the job.

WALTER R. JOHNSON in the Ninth and Fay H. Pollock in the Eighteenth, are types of progressive young Ex-Service men who are anxious to go to the State Legislature.

F. L. BARNETT should have our united support. He is a candidate for the legislature from the Tenth District.

N. W. WARE, candidate for Municipal Judge, should also receive our solid vote.

GRANT S. MEARS, candidate for Lieutenant Governor, is a good man for the job.

CARROLL O. STAUFFER, candidate for renomination for District Judge, is a high class gentleman, who has fully demonstrated his fitness for the position.

HARRY A. FORAN, candidate for City Commissioner was for five years connected with the Union Pacific Dining Car service under E. C. Sutton, and has a large and favorable acquaintance with our railroad men.

O. C. SCOTT who is one of four candidates in the Ninth Legislative District was for many years in charge of the street lighting department. He is favorably known to many of our citizens.
