GEORGE HOCKLEY IS KILLED BY AUTOMOBILE

George Hockley, aged 90, a resident of Omaha for the past thirty-five years, died in Lord Lister hospital Tuesday from injuries received December 17th, when he was knocked down by an automobile driven by Dexter E. Moon. Hockley never recovered consciousness from the time he was injured. Moon was arrested and released under a \$5,000 bond pending the coroner's inquest which was held at the Myers Western Funeral home. He was exonerated from blame Thursday.

Mr. Hockley's funeral was held Thursday afternoon from Zion Baptist church, of which he was a member, under the auspices of the Mosaic Templars, The Royal Circle of Friends and the Sons and Daughters of Jerusalem. The Rev. W. F. Batts officiated.

The deceased who was a native of New York is survived by his widow, a son William, two daughters, Mrs. D. W. Llewellyn and Mrs. Georgia Harris, and other relatives.

OMAHA BRANCH N. A. A. C. P. HOLDS REGULAR MEETING

Exactly one-third of the number present at the meeting in November for the annual election of the officers for the N. A. A. C. P. met in the first regular business meeting in the Y. W. C. A. Sunday afternoon. We wonder why it is that some well thinking, progressive, successful men and women seem to conclude that all that is necessary for the success of a cause

is important as is that for which this organization stands is to assemble once a year, elect a few officers and then retire for eleven long months and listen to the hammer blows of those who were not at the election as they fall upon the officers they elected and seemingly expect to do the work that requires the untiring effort and support of every member of the community.

These words are not written because of any discouragement within themselves of those who did meet. Far from it. The meeting was full of the spirit of hope and determination, and this spells success whether in the few or in the many.

The branch will have its forum meeting Sunday, December 20. The place and program will be published later.

As is unavoidably the case, the names of some who gave to the Defense fund November 29 were omitted from the published list, for which omission we are very sorry. We take pleasure, therefore, in stating that our attention has been called to the following omissions: Sergeant Isaac Bailey, \$5; Dr. W. W. Peebles, \$2; Mrs. M. C. Sands, \$1.

FALLS AND FRACTURES HIP

George H. Bullock, while employed at repairing a porch at his home, 1724 North Twenty-seventh street, Saturday afternoon, fell twenty four feet to a cement walk and fractured his hip.

He was taken to the University hospital where the fracture was reduced.

"ELECTRIC SHOP" OPENS IN NEW QUARTERS

The new "Electric Shop" of the Nebraska Power company opened in its new quarters at the southeast corner of Seventeenth and Harney streets, Thursday, December 10th.

The new shop is located in its newly remodeled "Electric Building". The Power company will move their new offices into the building on January 1. "The new 'Electric Shop' will be one of the finest and most complete-

ly equipped in the middlewest. This shop has been constructed with the view to make shopping by the customer very easy and convenient," said K. P. Goewey, salesmanager of the company.

Besides operating the new "Electric Shop" at Seventeenth and Harney streets, the Nebraska Power company will maintain its present shops at Fifteenth and Farnam streets; also the "Electric Shop" in South Omaha at 2314 "M" street and the West Leavenworth Electric Shop at Forty-third and Leavenworth streets.

Expert clerks and a complete line of electrical merchandise, especially useful Christmas gifts, will be maintained in all four shops.

"Because of their beauty and usefulness, electrical gifts are very much appreciated. They are good to look at and at the same time very useful during the whole year," said Mr. Goewey.

THE PULLMAN COMPANY

NOTICE

TO ALL PORTERS AND MAIDS:

In response to petitions recently received from employees of the classes above named, requesting that modifications be made in the existing agreement covering working conditions, which agreement was negotiated with your duly authorized representatives March 27th, 1924, The Pullman Company will hold a conference with the duly authorized representatives of such employees for the purpose of negotiating relative to such modifications.

Arrangements will therefore be made so that such employees in each District and Agency may hold Nominating Elections on or before Tuesday, December 15th, 1925, for the purpose of nominating by ballot one representative in each District and Agency who will be acceptable to the employees as a representative, thus placing in nomination approximately 72 candidates for election as representatives to the conference. The representative nominated in each District or Agency should receive a majority vote of all such employees in such District or Agency.

A statement of the result of the Nominating Election in each District and Agency, showing the number of votes cast for each nominee and signed by the Secretary of the Employees' Election Committee, should be promptly forwarded by the Secretary, who will retain a copy, to the Supervisor of Industrial Relations in Chicago, who will have the names of these 72 candidates printed on ballots to be used in the Final Election, for the purpose of electing from the list of candidates a committee consisting of at least 24 representatives authorized to confer with representatives of the Management, as hereinafter stated. At least 3 representatives should be elected from each Operating Zone, in order that all of the 8 Operating Zones may be represented in the conference. One of these ballots will be furnished to each employee of the classes named.

The Final Election should be held not later than Tuesday, January 12th, 1926. As soon as the Election is completed the Secretary of the Employees' Election Committee in each District and Agency should notify the Supervisor of Industrial Relations the result of such Election, giving the number of votes cast for each candidate, the Secretary to retain a copy of the statement, and the Supervisor of Industrial Relations, in conjunction with the Employees' Election Committees of the classes named in Chicago, will tabulate such returns, and will promptly notify the Secretary of the Election Committee in each District and Agency the names of the representatives elected. The Management will then hold a joint conference with such elected representatives for the purpose stated.

Each of the 24 representatives to be elected should receive a majority vote of all employees of the classes named in the entire service and be authorized to confer with representatives of the Management and decide in conference and agree upon rules governing working conditions for such employees.

Chicago, November 24th, 1925.

F. L. SIMMONS,
 Supervisor of Industrial Relations.
