909-BAR-COL-909

The World's Greatest Tonic

The Climax of Scientific Skill

A PERMANENT AND ACTIVE AGENT

A purely vegetable preparation, positively free of all narcotics.

A tonic that makes the old feel young and keeps the young youthful.

To excite the glands without building up the body is almost criminal. The purpose of 909—Bar—Col—909 is to build up the whole body and then the glands will function as in days of youth; therefore it is a tonic that makes the old feel young and keeps the young youthful.

It strengthens the bronchial tubes and lungs against colds and pneumonia.

It stimulates the weak and palpitating heart and restores the organ to normal conditions.

The liver, feeling the impulse, becomes greatly more active.

It relieves constipation and the bowels perform regularly.

The kidneys are stimulated to perform their natural functions without pain or distress and regularly.

All of the glands are thoroughly washed out and restored to youthful activity; therefore a person of 60 years or more regains the pep and vigor of a person of 35 years, and a person of 40 years regains the pep, vigor and vitality of a person of 20 or 25 years of age. All of this is the purpose of 909—Bar—Col—909 and in its use its purpose is fulfilled to the letter.

909—Bar—Col—909 is an expensive and high class preparation. Some of the ingredients in these tablets cost \$480 per pound, and other ingredients in proportion.

Agents wanted—male and female. Good money for agents.

For sale at Hamilton Drug Store, Stuart's Art Shoppe and at Sales Department, 1423 North 24th Street.
