## LINCOLN NEWS

Dr. A. Porter Davis and party of Kansas City, enroute to San Francisco, Calif., stopped last Thursday for a few hours with Mr. and Mrs. William Woods.

The cave party which was to have been given Monday night, Aug. 16th, was postponed on account of rain, till Monday, August 23rd, at 8:30 from Mt. Zion church.

Mrs. Gladys Hill of Kansas City is visiting her father and family here.

Mr. Borr Officer is confined at the home of his daughter, Mrs. M. Brown.

Mrs. W. L. Johnson spent Saturday and Sunday with relatives at Kansas City, Mo.

Prof. Waddles of Omaha was a visitor at Lincoln Sunday night.

Mr. Alex Morris underwent a surgical operation for appendicitis the past week.

Mr. Wm. Harris spent last week with relatives and friends at Atchison, Kansas.

Word comes to us that Mr. Gaston McDaniel and wife arrived at San Antonio, Texas, having had a splendid auto trip.

There were special services at the Newman M. E. church Sunday; Prof. B. R. Booker of Kansas City, superintendent of Rocky Mountain district, was present, and preached at morning and evening worship. Rev. H. W. Bots of Mt. Zion Baptist church delivered the afternoon sermon.

Remit for your papers.

The program given by a committee of Lebanon Lodge at their hall last Thursday night was good, and was well attended. Quite a few of the Masons left for Grand Lodge at Grand Island Tuesday night.

The Nebraska and Iowa Conference convenes with Quinn Chapel here the second week in September.

## VISITED SIX STATES TO FIND SUITABLE SCENERY

Six western states were covered by red Wood Jackman, director of Hal Roach's feature productions, starring Rex, "the king of wild horses," in an attempt to find the perfect location for the new Rex vehicle, "The Devil Horse," coming to the Lake theatre.

Jackman drove through Idaho, Wyoming, Montana, Utah, Nevada and South Dakota, visiting all Indian reservations in those states. Scenic possibilities and Indian reservation atmosphere were the particular objects of his search.

Meanwhile, at the Roach studios preparations were going on for the making of the production, and when Jackman found his locations in Montana and Wyoming a company was all ready to leave for several months to make the picture.

Jackman took his time at the start of production because Lady, leading woman for Rex on the screen and his mate in private life, was awaiting the approach of the stork. The heir of Rex appears in the picture, written into the final construction of the scenario for the fadeout scenes.

## ORSATTI AND "HAP" HOLLOHAN BACK IN LINEUP SATURDAY

When the Omaha baseball team returns to Omaha Saturday for a 12-game stay, the management will be able once more to present the full team to fans. This is something that has been impossible the greater part of the season.

Orsatti and Hollohan, who have been out of the lineup for better than two weeks, will join the club here Saturday, and will add a lot of needed hitting and fielding strength.

During the past road trip, when these players were absent from the club, the Burch entry has lost consistently. It is only to be hoped better things are again in store for the fans.

Wichita is the opening team on Omaha's lot and under their new management may make it exceedingly tough for the Rods. The present home stay will decide to a great extent whether the Rods are to be consigned to first or second division, so the loyal support of the fans will help.

Several new faces will appear on the team when they arrive here Saturday. "Slim" Davenport and Hargraves are two new pitchers, while Kaufman, the Jewish amateur pitching sensation, is another addition. Davenport is well known here, having played before for Omaha and St. Joseph.

Let's give 'em a boost by attending the games, for Burch is trying to give Omaha a good, winning team and truly deserves the support of the fans.

One game Saturday, with a double dish for Sunday.

The Bureau of Printing and Engraving at Washington turns out approximately 3,000,000 notes daily, having a value of at least \$10,000,000.

## LADIES' FORUM MEETS

The Ladies' Forum of Pilgrim Baptist church held their regular monthly meeting the first Monday in August with a good attendance and an interesting program. Mrs. R. T. Jowers read a paper on "Woman" and Mrs. H. J. Ford one on "Punctuality."

## WADDLES' BAND PLEASURES

Waddles' ladies band, which gave a concert last week at Tabernacle Baptist church, Council, Bluffs, scored quite a musical triumph. They were requested to give a return concert at an early date. The band has been engaged to give a concert in Lincoln next week.

## ARTICLE XIV, CONSTITUTION OF THE UNITED STATES

### Citizenship Rights Not to Be Abridged

1. All persons born or naturalized in the United States, and subject to the jurisdiction thereof, are citizens of the United States and of the State wherein they reside. No state shall make or enforce any law which shall abridge the privileges or immunities of citizens of the United States; nor shall any state deprive any person of life, liberty, or property without due process of law, nor deny to any person within its jurisdiction the equal protection of the laws.

## MEXICO

WE do not know what the real trouble is there. It seems to us, however, at this distance, that the Mexican government has gone pretty far in depriving Roman Catholics of the privileges of their religion. As we see it, however, it is a matter with which the United States has no right to interfere. Christian folk in America can however pray that the affairs between the Mexican government and the Roman Catholic hierarchy may be speedily adjusted so that truth and justice, religion and piety may reign throughout the land.

## SCHOOL DAYS

SCHOOL days are rapidly approaching. Let parents encourage their children to take every advantage for securing a good education as possible and in the meantime let us do what we can to help make places for them after they have prepared themselves for useful careers.

## CHERRY PIE FOR CAL

CAL Coolidge still loves cherry pie, although he's president; and so the folks of Michigan a huge one to him sent; full thirty inches wide it spread across the pan, and they sent it to him by auto and by man; a copper held his warning hand as swift the auto sped; "Don't stop us, cherry pie for Cal" was all the speeders said. That was enough, the bobby bid them hasten, the bobby bade them hie, and hurry to Cal Coolidge with his huge cherry pie.

SPEAKING of retrenchment, how would it do to make a ten percent cut in the salaries of some of the higher salaried school officials?

## SCENE OF CUSTER'S LAST FIGHT LOCALE FOR REX FILM

Lodge Grass, Montana, scene of Custer's last fight, was the scene of another Indian battle in "The Devil Horse," the spectacular Pathe feature showing Sunday at the Lake theatre and starring Rex, Hal Roach's wild horse star. The entire population of the Crow Indian reservation worked for four months in "The Devil Horse," which depicts a romance of the early west, written from historical legend by Hal Roach and directed by Fred Jackman, who directed other Rex productions.

## AN IMPORTANT WORD TO SUBSCRIBERS.

The postal regulations require that for newspapers to be sent through the mails subscriptions must be paid in advance. A reasonable time, thirty days, is allowed for renewals. At the expiration of this period, where subscriptions are not renewed, the paper must be stopped. If this is not done, postal privileges are denied the publication. Those, therefore, who desire to continue receiving The Monitor must see to it that their subscriptions are paid, as the law requires, in advance. Statements are being sent to all those who owe, or our collector will call—and unless your subscription is paid we will be compelled to cut off your paper which, of course, we do not want to do.

We, as publishers, MUST comply with the law or pay the penalty.
