Y. W. C. A. NOTES

Mother and Daughter Week opened with a very lovely Mother and Daughter Mass Meeting, Sunday afternoon, May 1st, at Hillside Presbyterian church. The messages of the hour were brought to us by Mrs. Rhone and Mrs. Taylor, two capable women of our group who are so willing to serve in our community. Encouraging remarks and a special invitation to the mothers and friends to visit the "Y" building and there get the proper information about the programs, were given by the chairman of the board of management, Mrs. Estelle Craig. Mrs. Craig Morris, Girl Reserve chairman, gave a brief but very effective summary of the Girl Reserve department.

On Tuesday evening, May 3rd, the Mother and Daughter Banquet was held in the "Y" building. A balloon triangle overhead added much to the simple table decorations of flowers, candles and the blue and white Girl Reserve colors. The loving way the mothers and daughters responded proves that there can be a better understanding existing between mothers and daughters if such organizations as the Y. W. C. A. and churches work on a co-operative basis. Mrs. Herbert Wiggins, another mother who is so anxious to see us gain better understanding of each other, gave an inspiring talk. The decorations were simple but attractive. Everyone seemed to enjoy a jolly time.

Last Saturday, April 30, opened the hiking season of the year. The Tuesday afternoon club went for a fine trip through the forest along the river, beginning at Camp Brewster.

Thursday night, May 5, a picnic supper was held at Camp Brewster by the Blue Triangle club. This is a new club for girls who are employed and senior high school girls.

Coronation Luncheon
The luncheon which is to be given by the finance committee on Tuesday, May 16, is to be exceptional, so do not miss it. A very fine program and menu have been planned for this to be an introduction to lunches which are to be served every week, so DON'T MISS this one.

PRaises Efforts of Little Rock Negroes

Little Rock, Ark.—Commenting favorably on the colored citizens' drive to raise, without asking aid from the white citizens of Little Rock, \$25,000 for the first unit of a \$175,000 colored Y. M. C. A. building, the Daily News of Little Rock, pays tribute to the financial advancement of the race.

"The Negroes of Little Rock are lifting themselves up," says the editorial. "We people of the South are too prone to think of the Negro in terms of the latest lynching. We often measure him by the man who mows our yards, or the woman who perform the menial tasks of the home. It is quite possible we are not cognizant of the amazing strides the race itself is taking right here in our midst for its own advancement."

HARDWARE STORE CHANGES HANDS

J. E. Kuklin, whose advertisement appears elsewhere in this issue, has purchased the hardware business of J. Kaplan, 1410 North Twenty-fourth street, and has enlarged the stock. Mr. Kuklin has added radio accessories and an electrical repairing department. He will be pleased to serve your needs. The Monitor assures its readers that they will receive prompt, courteous and satisfactory treatment.

U. S. CHURCHES GAINED 489,556 MEMBERS IN 1926

New York, N. Y.—A gain of 489,556 communicants of all religious faiths and sects in the United States in 1926 was reported today in a census completed by Dr. H. K. Carroll, for the Christian Herald.

The total number of communicants was given as 47,550,902, of whom 16,808,171 are Roman Catholics, 8,968,288 Methodists, 8,670,895 Baptist, 2,610,716 Presbyterians, and 2,588,279 Lutherans.

SEES OPPRESSED CHINA THROWING OFF SHACKLES

Washington, D. C.—Support of the Chinese nationalist movement was recorded by E. H. Hayes, missionary worker in China, speaking at a luncheon given by the "Y's" Men's Club. "We hear much of anti-Christian and anti-foreign movements in China, but when one understands things done to the Chinese he will favor many of these movements, as I have," said Mr. Hayes.

The speaker drew a startling picture of Chinese exploitation by foreigners and the contempt with which they are treated. He said three-fourths of Shanghai is controlled by the western powers, and that signs in public parks read: "No dogs or Chinese allowed."

Mr. Hayes said the Chinese are awakened and it is folly to attempt to check their aspirations.

a civilization that dates back 6,000 years," he said. "The Chinese are beginning to compare our fine professions of lofty idealism with what we actually do. This outlook is sweeping the Far East and every attempt at force makes matters worse, as it justifies the claim that we talk one way and act another," said Mr. Hayes.

WAR DEPARTMENT PASSES BUCK IN NEW YORK SECRETARY CASE

Washington, D. C.—Responsibility for the barring of Marsden V. Burnell, high school student from the Citizens' Military Training Camp because of his color, was blamed on the Corps Commander of the New York Area by the War Department.

President Coolidge ordered an investigation of the case after the incident had been brought to his attention by Editor Moore of the New York News. Editor Moore characterized the action as undemocratic and out of harmony with the true policy of the American government. The N. A. A. C. P. and Hon. Emmett J. Scott, former special assistant to the

Secretary of War, have also filed protest against the action.

THOUSAND DOLLARS FOR BEST RACE COMPOSITION

Philadelphia, Pa.—A surprisingly small number of Negro composers have sent in their compositions for the \$1,000 Rodman Wanamaker contest, according to Carl R. Diton of this city, president of the National Association of Negro Musicians. "There is only about six weeks' time left," he said, "and since Mr. Wanamaker's offer is exceedingly generous and encouraging to our people as we look to the future of their creative

work, we should leave nothing undone which might add to the number of the compositions submitted." The offer is divided into five groups of five prizes each. The types of composition specified are:

- (1) A Hymn of Freedom.
- (2) A Love Song.
- (3) A Lullaby.
- (4) Prestidigitation. (A rapid melody.)
- (5) Melodies and Motifs of Synchronous Effects.

Booklets containing the rules of the contest, and everything about it, may be obtained from the Robert Curtis Ogden Association, the Wanamaker Store, Philadelphia, Pa.
