AN IMPORTANT WORD TO SUBSCRIBERS.

The postal regulations require that for newspapers to be sent through the mails subscriptions must be paid in advance. A reasonable time, thirty days, is allowed for renewals. At the expiration of this period, where subscriptions are not renewed, the paper must be stopped. If this is not done, postal privileges are denied the publication. Those, therefore, who desire to continue receiving The Monitor must see to it that their subscriptions are paid, as the law requires, in advance. Statements are being sent to all those who owe, or our collector will call—and unless your subscription is paid we will be compelled to cut off your paper which, of course, we do not want to do.

We, as publishers, MUST comply with the law or pay the penalty.

FULFILLING PROMISES

Upon the recommendation of the Citizens' committee, appointed at the mass meeting, to look after political and other appointments for our people, Joseph B. Hummel, park commissioner, has appointed Mrs. Strawther to charge of one of the public park kitchens, and John Wakenield as playground director at the playground at Twenty-second and Seward streets; and Joseph Koucky, commissioner of public improvements, has appointed Gerald Edwards, roodman with a surveying crew; and other appointments are pending.

It will be recalled that The Monitor stated some weeks ago that the committee had interviewed all the commissioners and had received very definite promises of increased representation from them for our people in recognition of our support in the recent election. It is gratifying to be able to report that these promises are being fulfilled.

PASS WRONG LAW

Florida, whose house of representatives has just passed an anti-evolution bill, forbidding the teaching of evolution or kindred theories, would have shown more intelligence by passing an anti-lynching law.

A NEW COUNTY HOSPITAL

A movement is on foot to secure a new, modern and up-to-date county hospital. Plans have been prepared providing for the units now badly needed and making provision for additions as money permits. If the plan proposed is carried out, and there is no question, but that it should be, Douglas county, within the next fifteen or twenty years will have as

fine a hospital for the care of the indigent sick as may be found anywhere. There can be no debate as to the need of such a hospital.

OUR YOUNG PEOPLE

Young people crave pleasure and enjoyment. It is a perfectly legitimate desire in keeping with our social instincts. They are going to have their pleasure and recreation. Instead of older folk woefully and dolefully shaking their heads and predicting that our young people are waxing worse and worse, which is not true, why not enter into their pleasures and see to it that they have supervised recreation? Our young people are fundamentally sound and good at heart.

NATION-WIDE STROKE FROM "SALEM DAY" TO "INDEPENDENCE DAY" PROJECTED

Peter Salem, Colored, Shooting British Commander, Bunker Hill, June 17, 1775

Boston, Mass., May 28, 1927.—A call just issued by the National Equal Rights League with headquarters here proposes to the race everywhere exercises or public celebrations of the anniversary of the Battle of Bunker Hill, June 17th as "Salem Race Day" in honor of Peter Salem, an outstanding hero of this first regular battle for founding the U. S. A., and Salem Poor, mentioned for gallantry by the Colonial assembly. The purpose is to notify white Americans of valuable service and sacrifice for them from the country's birth, and demand equal rights as a just return, also to give the race confidence in its own claim to respect.

The plan is to have these observances all over the country adopt and send resolutions to Pres. Coolidge, with addresses of promoters, for federal anti-lynching bill and against all federal segregation. The meetings are to be arranged by Equal Rights Committees or Leagues or such sub-committees of existing race bodies or churches, or for all lodges, etc., to do this at their own meetings nearest June 17, and the Churches June 19th.

Heads of all national bodies and orders are asked to send this recommendation to every unit. The League asks that a copy of every resolution with signatures be sent to it here, so all these may be presented at the White House in bulk for July 4th, Post Sesqui Independence Day, for United Race plea against two lynchings per week, the latest rate. League furnishes leaflet for 60c in stamps postpaid.
