**Sports**

Virginia Botts reporting This week has brought us two of the games we've waited all season for. First we witnessed an unforgettable game between the Urban Leaguers and the Independents at Munny field on Wednesday night. Taking the lead in the first inning the Independents came out the victors after shifting to various positions over the field. The Leaguers gave them some good competition and the game was enjoyed by many spectators.

The second big game was the last League game played between the Independents and Pi Tau Delta. This game, just like all previous games was scooped up by the Independents in the first inning and ended in a run away score 21-6. This was the last game in the city League single A schedule.

The Independents are the only team having the honor of winning every game played in the city league this year. Each member of the team will receive a medal for this honor and a trophy is to be presented to the club by the city Softball Assn.

Lets take a peep into Munny pool this week. The local gang are really taking advantage of the diving board. Do you really know who goes over there to take a dip—every body who isn't afraid of the water. With temperatures soaring over the hundred mark Sunday, all the kids went swimming.

As we go to press, the R.R.M. girls team have two games scheduled for this week and the Urban Leaguers one. The Independents have four games this week. We'll know how these games come out in next week's issue.

Here's a correction on last weeks mis-print. The Independents have played 23 games, losing only 2 this season.

The Red Shield boys played their hardball game in Beatrice Sunday instead of Wednesday as formally stated. I hear these boys played a winning game and had lots of fun on their trip.

Here's more luck to them. So long, til next time.

Co-operation among party line neighbors means better telephone service for everyone on the line. If you are using only your fair share of service—are reasonably brief in talking—space your calls—and always replace the receiver after talking—you are a good telephone neighbor. Everyone on your line appreciates your thoughtfulness, and so do we.
