**THE CORNHUSKER CORNER**  
By Howard Launer

With the Nebraska High School and Big Seven track meets being held on successive weekends, the cinder sport has reached its climax in Nebraska.

Husker Coach Ed Weir could have passed for a dash man the way he made the rounds congratulating all the fine high school stars who performed at this year's meet.

Husker freshman thinclads took it on the chin twice this spring in outdoor postal meets.

Their first loss was 69½ to 60½ one to Iowa State. Then they lost their second to the University of Colorado, 64 to 52.

Even though the overall strength of the Frosh squad leaves much to be desired, Ed Weir did come up with several individual stars who will help next year's squad.

With the loss of high jumper Dick Meissner, a spring graduate, Weir will welcome Paul Heidelk, Fairbury, who bailed out at 6-1½ in both meets. The mark was good enough for two firsts.

Another double winner was Grand Island's Clayton Scott in the 880. Scott toured the course in 2:03.2 in the Cyclone meet and 2:03 flat in the Colorado go.

Weir will be especially happy to see "Scotty" in Varsity togs because the 880 has been a Husker weak spot since Hobe Jones left for the armed services.

Other first place winners in the postal meets were Cliff Dale, Falls City, in the discus and shot put; Don Holmes, Gothenburg, who won the blue ribbon in the high hurdles; Calvin German, Cozad, who copped the broad jump event; and Don Smith, Lincoln, in the 220-yard dash.

The Husker freshmen failed to win a first in either the mile or two-mile. The distances have hurt the Varsity all year. And by looks of the postal meets, the same events will be hurting them next year too.

more as he broke the British mark for the British 300 yard dash.
