LAWS FOR THE NEW NATIONS  
(Temperance)

Scripture—Exodus 18-23.  
Memory—Exodus—Al the Lord  
hath spoken we will do. Exodus  
18:8.

Present Day Application  
By Frederick D. Jordan  
Los Angeles, Calif.

The changing circumstances of men through the centuries have not yet destroyed or made obsolete the Ten Commandments. Their significance and worth influences the laws of the nations of the world today. They rest on the principles that God claims authority over the moral life of man. The Scripture provides many types of laws to govern conduct; religious, social, and ethical. Laws are always important in the life of a nation and deal chiefly with actions which are truly a part of one's life and serve as an indication what one's thoughts and passions are, they are illustrations of one's faith, or unbelief, his sorrow for sin, and his joy in the infinite love of God. A lawyer recently made this statement: "If our city were to turn sober the legal moderate would be ruined." The high professor could stop if he would, the inebriate would stop if he could.

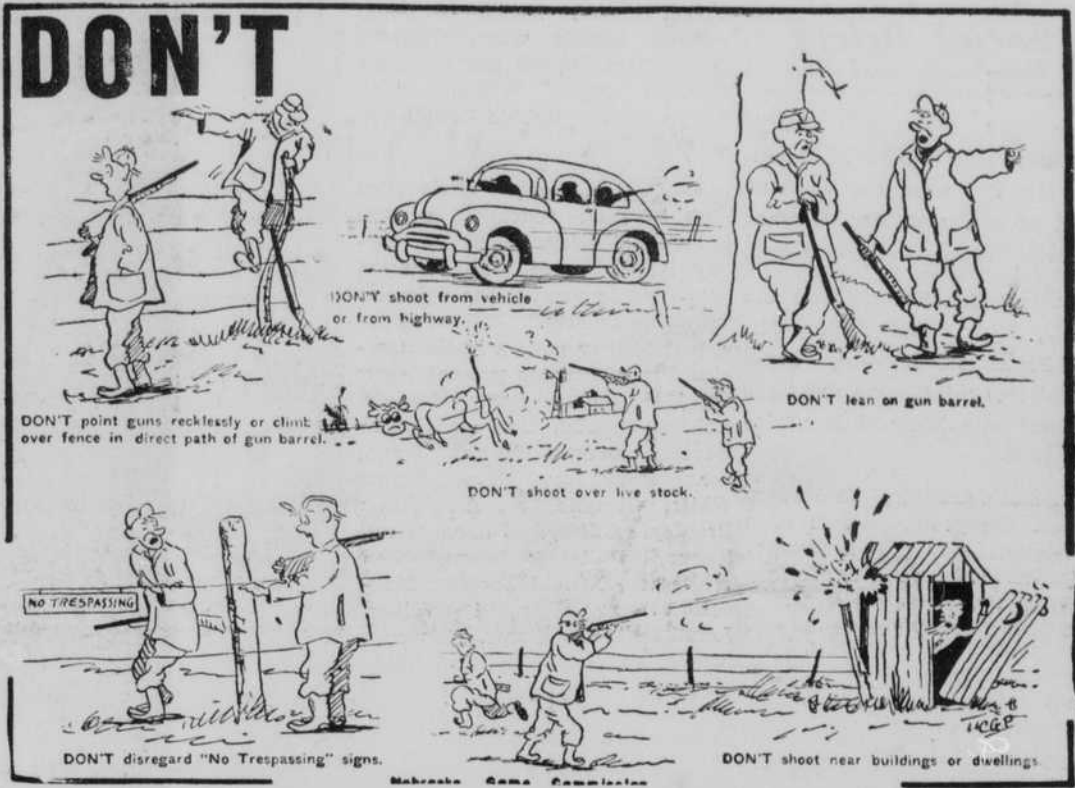

A workshop on "The Control of Alcoholism" led by distinguished scientists met in California last summer and concluded that drinking wine, whiskey and beer was the cause of between 60 and 70 percent of the total crime of the country.

Our new menace is the use of dope of all kinds including "goof balls" and reefer. Those who never start, avoid the problem of trying to stop.

Essex County Assembly. Running on the Democratic ticket, the 31-year-old political freshman lost in a GOP landslide.

In his own district in Orange, he led the other Democrats with 129 votes but Republican Edward Bowser won with 186 votes.

Monte flew home from a barnstorming trip in Houston, Tex., five days before election to conduct a whirlwind campaign.

## Deltas Purchase House at University of Illinois

CHICAGO—(ANP)—Delta Sigma Theta sorority has purchased a house at the University of Illinois which will accommodate 14 undergraduate girls, Chicago Delta Projects, Inc., announced last week.

A report at last week's Regional meeting of the Deltas showed that the Chicago Delta Projects group had contributed \$5,000 toward the purchase of the house. This was supplemented by a sum of \$5,500 from the national organization and the Midwestern Regional Council.

More than three years ago, a nucleus of Delta members, under the chairmanship of Mrs. Jeanette Triplett Jones, started the project to build a house at the university.

This is the first time that a community of Delta sorority members has assumed a university sorority house responsibility, and enlisted the financial support of both the regional council and the national body. The realization of this house has stimulated interest

of the national body in adequate undergraduate housing.

In addition to Mrs. Jones, attending as a national past president as well as chairman of Delta Projects, Inc., another national past president, Mrs. Anna Julian, was present as an active member of the housing group.

Also, Mrs. Marguerite Young Alexander, only Delta founder living in Chicago, attended the Regional meeting. Other members of the housing group include: Mrs. Wilhelmina Blanks, vice chairman of the project; Mrs. Elizabeth Crawley, secretary-treasurer; Mrs. Lucille Montgomery, Mrs. Bertha Graham, Mrs. Estelle McNeal, Mrs. Janet Hamilton, regional director; Mrs. Mary Frances Welch, Mrs. Muriel Mur-

phy, Mrs. Mildred Foster, Mrs. Thelma Tondede, and Mrs. Avadner McGlory.

After the meeting, the sorority had a luncheon at the Rose Room at the Morris Perfect Eat Shop.
