La Follette Men in Hot Squabble **Over Convention**

Leaders Split on Question of Control-Sorenson Fighting Green and Taylor.

Lincoln, July 30 .- Leaders of the a Follette movement in Nebraska chinery which is to be set up at the convention at Grand Island, August 19.

Arrayed on one side is C. A. Soren son, who always has been opposed to a third party and favors the Townley balance of power program, which calls for throwing radical strength behind certain candidates in major parties. On the other side are W. H. Green and J. L. Beebe of Omaha, and W. J. Taylor of Merna.

These three gentlemen charge that orenson has killed effectiveness of he third party in Nebraska. They also charge that it was Sorenon who attempted to keep them

silenced at the meeting here last week when they were charged with being communists. Green at the time the meeting was held in Lincoln had a portmanteau

filled with papers. These papers, he charged, would prove Sorenson was unfit to manage the Nonpartisan eague newspaper. "It's not true," Sorenson said, "and if they make anything like that public

Bollen, democratic candidate for railway commissioner and progres-sive candidate for the same office, received such a "bawling out" at the recent La Follette meeting. Bollen is Sorenson's law partner and they always do teamwork in politics.

Every Druggist in this country is authorized to say to every rheumatic sufferer that if a full pint bottle of Allenrhu, the sure conqueror of rheumatism, does not show the way to stop the agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pain, he will gladly return your money without comment.

Allenrhu has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and piteous and where the patient was helpless.

Mr. James H. Allen, of Rochester, N. Y., the discoverer of Allenrhu, who for many years auffered the torments of acute rheumatism, desires all sufferers to know that he does not want a cent of anyone's money unless Allenrhu decisively conquers this worst of all diseases, and he has instructed druggists to guarantee it as above in every instance. Bad Case of Woman's Illness Remedied by Lydia E. Pinkham's Vegetable Compound

St. Louis, Mo.—"I had such a bad case of female trouble that I could not walk because of the pains from inflammation. My inflammation. My back was all done up. I could hardly bend, could not go
