London, July 31.-The inter-allied reparation conference took a new lease of life today when the experts assembled to consider the new French proposals presented by Premier Herriot yesterday. The British participants in the con-

ference view the French plan as the girl greatest effort yet made to bring about a settlement of the conference difficulties so that the Dawes plan can be put into operation, and they are of the opinion that it will be a great step toward a final settlement.

The plan was laid before the experts at noon. After considering it for an hour the committee adjourned until 3 p. m. One of the points of the French proposal provides for a board of arbitration caculated to make a declaration of default on the part of Germany by the reparation commission much more difficult to obtain than now. Another provides for setting up machinery to take care of defects which might develop in the working of the Dawes plan and still another establishes guarantees against Germany maneuvering out of

marcelled. The man gave the girl a card bearing his name and the name of a Fremont hotel. Police hold the card.

Violet left home Friday morning with a lunch for her father, who is employed at the Coakley's Overall laundry, Seventeenth and Cuming streets, and 25 cents. After giving her father his lunch, she went to the city hall.

Her family declares it is improbable that the girl ran away from home because she always seemed happy and was never despondent. Elopement also is considered improbable as Violet never went with any young men.
