Brown's Homer Enables Dodgers to Defeat Pirates

PITTSBURGH, Aug. 19.—Brown's home run with one man on base decided a hard-fought game here today, enabling the Brooklyn team to win its second game of a three-game series from Pittsburgh, 4 to 3.

Thirty-two Rounds of Boxing on Tap—Amateurs to Meet in Opening Mix.

Complete Fight Card for Wednesday Night. Main Event—Morrie Schlaifer vs. Warne Smith, 10 rounds.

BOXING Commissioner George Koster late Monday afternoon decided to appoint the referee for the Schlaifer-Smith fight tonight and so ruled that Leo Shea would be the third man in the ring for all bouts.

Koster took the above action after several conferences between himself and the opposing managers. The appointment of Shea was made over the protest of Pat Boyle, manager of Schlaifer and Hudkins.

Promoter Isaacson announced that the entire card has been completed with the signing of a four-round bout between Sammy Cross, mid-west A. U. bantamweight champion, and Johnny Sesto, mid-west flyweight champion.

Both boys made a big hit in the A. U. contests and have a big following in the amateur ranks. They are both sluggers and will add just one more real fight to the card.

Ever Hammer, Chicago lightweight, who meets Ace Hudkins, arrived Monday and worked out. He made a hit with the large crowd when he floored Johnny Lee for the count. He out Lee to ribbons before he floored him.

Pittsburgh lost to Brooklyn, 7 to 4, and failed to gain. They had won nine straight.

JOHNNY GOODMAN, diminutive South High golf champion and Omaha Field club caddy, flashed in brilliant form yesterday to defeat Frank Seidlick, Omaha municipal golf title-holder, 2 up in the feature match of the Field club caddy day.

"Muny" Golfers Against Boost. Omaha's municipal golfers have started waging battle against the proposed play to boost the yearly golf fee from \$2.50 to \$10.

Recently a meeting of more than 25 muny golfers was held, at which time it was decided to draw up petitions and circulate them among the municipal golfers of the city who are opposed to the increase in fee to \$10 a season.

J. N. Crawford was elected chairman of the committee in charge of the petitions, while Lester Palmer and T. E. Patterson were chosen members of the committee.

The petitions will be presented to the city council at the proper time, it was said.

Tiajuana Race Season Opens on Turkey Day

The stake blanks announce a distribution of \$1,000,000 in prizes for the 100 or more days of racing. The Coffroth handicap, a one and one-fourth mile race, which Atkin says will be the richest stake in America for horses of all ages, will be run March 29.

An increase of \$10,000 over last season has been made in the Coffroth handicap stake, bringing the total added money to \$50,000. Proportionate increases for other stakes were also announced.

WESTERN LEAGUE

LEO BROWNE, the former umpire, tells a good one concerning Tex Crosby, the veteran catcher of Tulsa. Crosby was having a hard time of it with his pitchers one day. He had probably done as much work in the six innings played as he would usually do in nine. Four pitchers had been used and the fifth was just throwing his customary five balls. Tex had caught four and delivered to the pitcher to get ready to waver to the batter. "That's only four," objected the youth, "and you haven't had your throw to second."

"BOBBIE" STEPHENS ENTERS NEBRASKA

Hastings, Neb., Aug. 19.—"Bobbie" Stephens, all-state quarter last year and star in football, basket ball and track at both Hastings high school and Hastings academy, has announced he will enroll in the University of Nebraska next month. Stephens was elected captain of this year's Broncos, but he decided to enter the state school for professional training. Last week Stephens won the pentathlon at the national guard camp.

Nine matches were played, with most of the favorites coming through. Several upsets were registered, however, one of which was the defeat of Marsh Jamison, former champion, by Howard Wolff in straight sets, 6-2, 7-5.

EPINARD ENTERED IN TWO HANDICAPS

Saratoga Springs, N. Y., Aug. 18.—Epinard, the French turf king, was nominated today by Eugene Leigh, his trainer, on behalf of Pierre Wertheimer, owner, for the \$25,000 Washington Handicap, a race of a mile and a quarter for 3-year-olds and up, at Laurel Park in October, and the \$10,000 Laurel Handicap, a weight-for-age event, at a mile.

FIGHT DOPE

Columbus, O.—Gene Tunney, American High welterweight champion, drew a simple knockout over Joe Lohman of Toledo, when the referee stopped the bout in the eighth round.

SARATOGA

Cleveland, Aug. 19.—Archie Walker, New York shaded Sammy Mandell, young Rockford (Ill.) Jock, in 10 fast rounds here. Neither fighter appeared to be in top form. Mandell, in particular, showed a poor showing. Archer's several pounds advantage helped him in the closing rounds. He seemed not at all worried by Sammy's body punches. The fight was poorly attended, due probably to the chilly weather.

Down the Fairway

By CHARLES (CHICK) EVANS, Jr. Running Them Up. The importance of a run-up shot is largely underestimated. It is a short distance, a golfer usually practices it very little. When one realizes how many shots to the green finish up around it, he has become a wise player. We had a national champion 10 years ago who had this delicate shot well mastered, and I am very sure that the reason he won the greatest honors in the game was his mastery of a very simple stroke, but most people play it stupidly. The great professional vary much in their method of playing the run-up shot.

My left foot. At times it is advisable to lay the blade off a little. On the very short shots just off the green I play the ball between my feet with my eyes directly over the ball as in my long approach putt. My feet are always very close together in this stance, heads almost touching, and I consider it very important to have my toes turned out.

Another little idea of mine is to have my arms akimbo or crooked; not too much, however. I found the easiest way to play this shot was to put overspin on the ball. I do this by hitting a little below the center of the ball and pulling up on the shot as the clubhead goes through. When one gets a perfect overspin it runs over the uneven grass and ground and still keeps its direction. This jigger run-up shot is particularly more advantageous than the mashie when in the wind.

The lower one can keep a ball when it is windy the more successful his shots will be. Great English players run-up everything around a green when the winds are high. There is one thing very important to watch carefully, and that is to see if the ball drags or bounces a little. If the ball drags or bounces a little, it is not a run-up shot. If the ball gets after it first meets the ground, the shot drags through the grass it is very difficult to judge, but if it bounces normally you soon learn one of the easiest ways to get a run-up shot. I try to feel this out in the fringes more than any other stroke, which is saying a great deal.

Now for the most necessary idea in this run-up shot, it is to have a fair amount of wrist although I let my hands move back with my clubhead a little so that it is not entirely a wrist shot. I think carefully of keeping my left wrist turned up. This helps my left wrist and assists me in hitting better. You have seen great players take one quick look at the hole just before they hit. I do it in this shot for a quick impression of the hole just before they hit. I do it in this shot for a quick impression of the hole just before they hit.

SWIMMER BREAKS ANOTHER RECORD

Paris, Aug. 19.—Johnny Weissmuller of Chicago, participating in the international swimming meet at Vienna, did the 100 meters free style in 57.8 seconds, says a dispatch to the sporting paper, L'Auto.

Magnesia Best For Your Indigestion

The mark given in the above dispatch would be a world record. The previous record, also held by Weissmuller, was 58.3 seconds, established at Alameda, Cal., in July, 1922.

Warns Against Doping Stomach With Artificial Digestants. Most people who suffer, either occasionally or chronically, from gas, sourness and indigestion have now discontinued use of harmful drugs, stomach tonics, medicines and artificial digestants, and, instead, following the advice as often given in these columns, take a teaspoonful or two of tablets of Bismarck Magnesia in a little water after meals with the result that their stomachs no longer trouble them. They are able to eat as they please and they enjoy much better health. Those who use Bismarck Magnesia obtain relief from gas, sourness and indigestion because they know the wonderful antacid and food corrective, which can be obtained from any good drug store, will instantly neutralize the stomach acidity, sweeten the stomach, prevent food fermentation, and without the slightest laxative effect, will keep the stomach in its normal state. It is a fact that Bismarck Magnesia is especially prepared for stomach use.

MACKS COP SERIES WITH INDIANS

Philadelphia, Aug. 19.—Philadelphia made it three out of four from the Cleveland Indians today, winning the eighth game of the series. In a battle of southpaws, Baumgartner had the better of Shaute and finished the game while Shaute gave way to a pinch-hitter in the seventh. This pinch-hitting in the ninth drove the first ball pitched into the left field bleachers for a home run.
