WHAT UNIVERSITY?

WHAT University will you attend? If you are will give you the best possible advantage in life, you are searching for a school that will give you the most complete training for that occupation or profession.

You are seeking a University that not only offers superior educational facilities, but you are seeking one that will give you unequalled opportunities for the development of body as well as mind and, in addition, provides the social contact that instills the ideals of highest service and citizenship as well.

Creighton University offers you these things. The educational advantages are among the best. In each of the individual colleges that makes up the Creighton University, the entrance requirements, the instruction methods, the subjects offered, and the graduation requirements are as high, or even higher, than those in any other educational institution. Every diploma from Creighton University is a token of high achievement.

Every field of athletic, musical, oratorical, dramatic and social endeavor is open to the man with ambitions

in those directions. Right in the heart of metropolitan Omaha, with its many libraries for all students; its courts of every jurisdiction for the students of law; its large hospitals and clinics for the students of dentistry and medicine; its business institutions of national scope for the students of commerce; its climate; its social and entertainment advantages; this unrivalled location enhances still further the opportunities which Creighton men and women enjoy.

The Creighton University offers you University Training in its Colleges of Liberal Arts and Sciences, Law, Medicine, Pharmacy, Commerce and Dentistry. Send for the bulletin of the department in which you are most interested. Read it over carefully and you sands that have gone before, that Creighton University is the University for YOU. will feel, as the three thousand now enrolled and the many thou-
