THE POLICY OF THIS STORE IS

Quality Foods

Since announcing in these ads our policy we have had many comments from our patrons. We believe that a merchant, in addition to carrying quality goods, should let his customers and prospective customers know about his store. The interest in our store and in the Free Basket given in this neighborhood has brought considerable attention to our business policy. We are not a cut-price store—we simply sell fine foods at fair prices. This we believe means economical shopping for our patrons.
