EMPLOYMENT

Trusts May Follow Suit Against Standard.

By ROBERT S. THORNBURGH, with the equity suits entered in the ing from half a cent to a cent and other oil companies throughout the domestic consumption. This was al-

The government, in its epochal suit, price. obably the most important of this haracter since the famous Roosevelt leged to restrain production through a system of "asserted patents" and foreign trade. The contracts among to increase the price of gasoline.

anti-Standard action may lead the gainst these, and other companies. LEAGUE MOVES IN rom different angles, taking the of a general campaign to restrain production and increase prices. Stone announced that the Washington conference of state attorneys gen-

have requested the calling of the con-ference, believing that there may be grounds for action against oil-producing corporations in the state courts. May Appear Personally.

Following the precedents set by ney General Daugherty in the raileral Stone hopes to find time to ap- her independence. pear in person to argue the gasoline prosecutions, he told International News Service.

"It is difficult to find time from the executive duties of the office to grasp the facts of a case sufficiently to present it to a court," Attorney General Stone said. "However, I am eeking to find that necessary time."

The attorney general declared that the gasoline case will undoubtedly go to the supreme court of the United States for final adjudication. He regards the action of far-reaching importance, vast in its remifications and one which will have a bearing the future gasoline and oil prices of the United States.

The oil probes were launched under the late President Harding, who requested the federal trade commission nd the Department of Justice to launch separate investigations. The federal trade commission report was recently completed and placed in the ttorney general's hands. It is now

indergoing study. After the retirement of former At torney General Daugherty Stone immediately attacked the gasoline case, having spent much time at night preparing the evidence and putting the facts in condition for presentment.

Date Doubtful. Just when the action will be heard in Chicago is doubtful. Stone pointants will admit the facts charged by GOOD NEWS FOR AILING the government, contending that the actions complained of are not viola-

bination and conspiracy in restraint eight out of every one hundred women entered into and are parties to con- trial. tracts in restraint of such trade and commerce in violation of the provisions of section 1 of the act of Gas In the Stomach anti-trust law."

"The defendants," says the petition "are attempting to monopolize and are combining and conspiring with one another to monopolize a part of said trade and commerce among the several states and with foreign nations. This suit is instituted to prevent and restrain the defendants from further violation of the law." Patents Attacked.

Pointing out that in 1923 the gaso line production reached 7,500,000,000 of which 6,500,000,000 were petition goes into an elaborate description of the latest methods of indigestion." gasoline manufacture — namely, the "cracking" process, which increases the yield from a given quantity of crude oil over other processes.

Acid stemachs are dangerous because too much acid irritates the delicate lining of the stomach, often leading to gastrile oil over other processes. crude oil over other processes.

fendants" are operating under the stomach and hampers the normal func-"supposed protection of patents" ap. tions of the vital internal organs, often

for sore feet, chafing, burns, scalds, cuts, bruises and sunburn," says Peterson, 35 cents a box.—Advertise-

Colds, Grippe, Dengue Fever, Constipation, Bilious Head-

ants are valid patents and patent rights covering and controlling the processes for cracking gasoline is but device to lend color of legality to the described combination, conspiracy

The government charges that the primary defendants sought "to extort from all concerns engaged in the Government War on Other manufacture of cracked gasoline large sums in the guise of royalties and to impose on all concerns so engaged onerous and oppressive condiions designed to insure to said defendants a monopolistic control of such trade and commerce."

It was charged that the agreements between the corporations provided General Stone in connection for payment of a heavy royalty rangcourt at Chicago against a quarter per gallon on gasoline pro-Oil corporations and 50 duced by the cracking process for leged to have increased the gasoline

Injunction Sought.

The government asks that the detrust busting actions" in 1911, seeks fendants be perpetually enjoined from rogation of a number of contracts further carrying out or maintaining Standard Oil companies and the alleged conspiracies, combina corporations in 15 states, al- tions, attempts to monopolize and monopolizations of interstate and companies would be declared null un Attorney General Stone feels the der the demands of the suit.

GEORGIA'S BEHALF

Geneva, Sept. 11.-The league of nations took a step on behalf of the independence of the republic of government to go into court on other cases of somewhat similar nature.

Georgia today when France, Great Britain and Belgium introduced a Several state attorneys general resolution, asking the council of the means and in accordance with international law.

The resolution is regarded in Ge neva as a carefully worded announce former Attorney General Palmer in ment on the part of the great powers the packer cases and former Attor- of their purpose to make good the promise they gave Georgia several road injunction action, Attorney Gen-

Greatly Troubled With Itchy Pimples Cuticura Healed

"I was greatly troubled with pimples breaking out on my face, arms, neck and shoulders. The pimples festered and scaled over, and my clothing irritated the break-ing out on my arms and shoulders. They itched and burned and my face looked so badly that I had to stay at home because of the un-

out success. A friend advised me to try Cuticura Soap and Ointment so I purchased some, and after using one box of Cuticura Ointment and two cakes of Cuticura Soap I was completely healed."
(Signed) Miss Gladys Neilson, Partoks Illinois

Cuticura Soap daily, with Cuticus Ointment occasionally, prevents pimples or other eruptions. They are pleasing to use, as is also Cuticura Talcum, an excellent deodorant
