New type bandit-proof mail-car.—The car is provided with 3 port holes on each side, patterned after the armored tank of war times. Two of the port holes are designed for use in firing upon bandits. Riot guns, rifles, or service revolvers are employed by the defenders. The other hole is made to accommodate a high-powered magnesium candle which turns darkness into blinding light.

Displacing the custom of a corsage.—On this new Paris gown there is embroidered a corsage of violets. This may be a further indication of the well known French thrift, and at any rate it has been offered in Paris, and is gaining favor.

Slender Women are more popular—
A graceful slender girl holds a fascination which only slender women have.
Men admire a youthful silhouette. Instinctively, they are drawn towards the woman whose figure is graceful and shapely. That's why slender girls are always popular.
But why worry about being overweight? It's easy to reduce. Use Marmola Tablets (thousands of men and women each year regain healthy, slender figures this way). These tablets will make you slender again. Try them. No exercises or diets.
All drug stores have them—one dollar a box. Or they will be sent in plain wrapper, postpaid, by the Marmola Co., 1700 General Motors Bldg., Detroit, Mich.
