This Clean, Colorless Liquid Will Quickly **Restore the Former Color**

Amazing results are reported by thousands of people who have seen their gray hair return to its original color under the touch of the remarkable preparation known as Kolor-Bak. Many report results in a week.

Bak. Many report results in a week.

In this clean, colorless liquid we have a true substitute for the natural pigmentation, which the hair has lost because of age, illness, shock, scalp disease or some other cause. Remarkable as it may seem, Kolor-Bak not only banishes the grayness, but restores the actual former color to the hair, no matter what it was—black, brown, red, auburn. And the color is uniform throughout—the hair does not apthroughout - the hair does not appear streaked, faded or dyed.

Kolor-Bak is not sticky or mussy. It is just as easy to use as clear water. It also cleanses the head of dandruff, scurf or scale, keeps the scalp in good condition, gives the hair a beautiful, silky appearance and prevents it from becoming brittle and falling out. ing brittle and falling out.

As long as your hair retains its youthful appearance, you get credit for being young—and to be

young is always an advantage in both social and business life. Both men and women have a reliable friend in Kolor-Bak.

No need to furnish samples of your hair to get the right prepara-tion. Kolor-Bak is for all hair, no matter what its original color, so you don't have to do any 'matching' or experimenting. Just try Kolor-Bak and see how quickly the lost color returns. Kolor-Bak is sold on money-back guarantee.
