

LEFT—One of the first fashionable automobiles with three wheels that is now a treasure at the Smithsonian Institute in Washington. —Wide World.

RIGHT — Smallest plane to make cross country flight. It is driven by a motorcycle engine, has a wing spread of 18 feet, weighs 450 pounds and was driven at a speed of 105 miles per hour. —Wide World.

RIGHT—Mrs. Dorothy Campbell Hurd, winner of the National Women's Golf Championship for the third time at the Rhode Island Country Club. —Wide World.

For the first time in the history of Pendleton, Oregon, a Queen, who is not a Pendleton girl, has been selected. Miss Josie Sedgwick, a motion picture actress was selected as a courtesy to a screen company who cooperated with the Pendleton people in their annual round-up. —Wide World.

All dressed up like father.—Frank Snyder, son of the catcher of the New York Giants, just fits a suit his father wore during the World's series in 1921, after a few alterations have been made. —Wide World.

STAMINA

Leads to Championships

Safeguard your health at The Danger Line

CHAMPIONS . . . their victories result from stamina. From that fine co-ordination of trained mind and sturdy muscle. From a perfect blend of "knowing how"—how to play the game, and how to keep fit for the game.

To keep fit, you must watch the little things that contribute greatly to health and stamina. Perhaps the best example is The Danger Line—that tiny V-shaped crevice where teeth meet gums. For at The Danger Line food particles collect and ferment, forming acids which attack the teeth and irritate the gums, causing Acid Decay and conditions favorable to devastating pyorrhea.

Stop Acid Decay at The Danger Line
Use Squibb's Dental Cream

Your dentist—any dentist—will approve milk of magnesia for counteracting acids in the mouth which cause decay. Squibb's Dental Cream is made with Squibb's Milk of Magnesia. It will prevent Acid Decay, not only at The Danger Line, but every other place on your teeth where trouble may begin. It will reduce the chances of pyorrhea. It will protect for hours after use. It will soothe and strengthen tender, bleeding gums and allay sensitiveness. And it cleans and brightens thoroughly.

Standardize on Squibb's Dental Cream in your home. Enjoy better, prettier teeth. Safeguard and promote the health of all the family. Buy the large tube to-day.

SQUIBB'S DENTAL CREAM
Made with Squibb's Milk of Magnesia

Squibb's Milk of Magnesia, useful in hyperacidity of the stomach and as an addition to milk for infants, may be obtained from your pharmacist. Copyright 1924, E. R. Squibb & Son
