Slenderness will make you more attractive—

Are you worried because you are overweight? Afraid you are losing your charm, your youthful figure? Stout women are at a disadvantage. Pretty clothes no longer fit them, their movements are awkward, their attractiveness deserts them. Friends are sympathetic. But many of these friends have a secret method of keeping slender! They use Marmola Tablets (thousands of men and women each year regain slender figures this way). These tablets will make you slender again, too. Try them. No exercises or diets—just a pleasant, healthful way of becoming slender.

All drug stores have them—one dollar a box. Or they will be sent in plain wrapper, postpaid by the Marmola Co., 1700 General Motors Bldg., Detroit, Mich.
