Howard Stoves

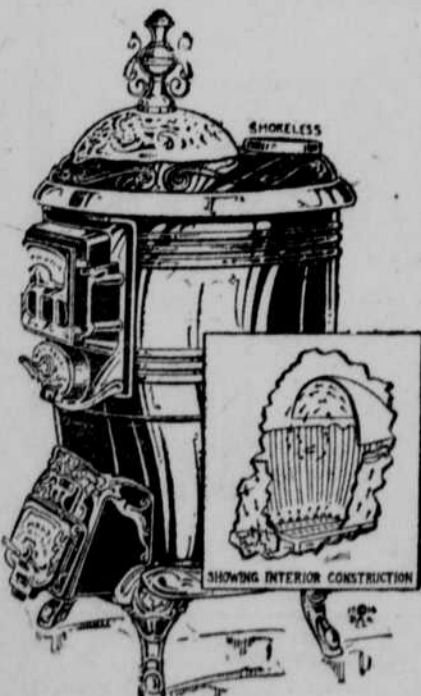

Cut Fuel Bills a Third

Take advantage of our Charge Account Plan and put up your Howard Heater now, then you can protect the family's health, these cool September evenings by taking the chill off the house.

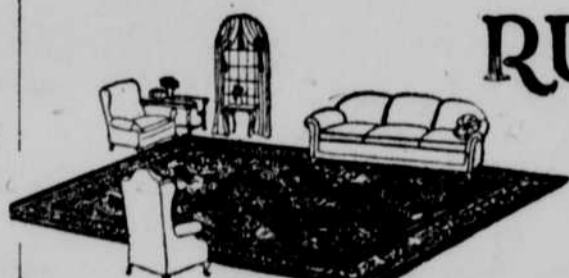

Howard Heaters burn any kind of fuel, and the overdraft construction which throws fresh air over the flames consumes the coal gases usually lost up your chimney in smoke, giving you more heat on a third less fuel. A wide range of models priced as low as

\$32.50

Steel Range with shaker grates, perfect baking oven, high warming closet \$47.50

We Are Sole Omaha Agents for Howard Heaters
