cialist, of Milwaukee.

Now uniting against labor, they may do more to develop "class con-sciousness" than all the socialist Marise shares honors with Navarro. orators do in a hundred years.

In France, the forces of conservatism, driven together by fear, as in England are uniting to drive socialist Prime Minister Herriot from ed the film. power. Herriot, whether he stands or

falls, has done one good thing, bolishing the penal colony on the 'island of the devil," where Dreyfus was confined, and on neighboring islands.

The "better minds" will observe that it took a socialist prime minis- ginal. George Fitzmaurice was parter of France to abolish the "dev-il's islands" disgrace, and the which he has brought forth its polg-French revolution was necessary to put an end to the torture of witnesses in the French courts.

Before the revolution it was considered correct, for instance, to torture servants of a nobleman, though they were accused of no crime, to make them tell what they knew about others. Some judges said justice couldn't work without

It is hard to accept new ideas. As great a man as Simon New-comb, only a little while ago, said human ingenuity would never be able to make a machine light enough and strong enough to fly. Before that makers of sailing vessels said and believed that even if a steamship could cross the ocean Fine performances are rendered by it couldn't possibly carry enough coal for power to carry it across.

Hindus and Mohammedans are still killing each other in India in religious quarrels. Nine dead, 70

Anything You Can't Eat?

The screen version of Gene Straton Porter's famous novel, showing this week at the Moon is certain to please all who see it. The story is that of a young girl and her struggle for an education in spite of the opposition of her mother and her distorted hatred of the child because of a consuming and n.isplaced love for gle for an education in spite of the an erring husband who met a terrible death on the night the baby girl was born. The love affair of the girl and the victory of her sweet and lovable nature over the jealou opposition of her school companion simply and interestingly told. Gloria Grey is the delightful Elnora Comstock of the story, who rises above the objections, scoldings and harsh treatment of her mother. Gertrude Olmstead is the petted and pampered daughter of a rich family, who insists upon flaunting her social position. Emily Titzroy is the mother. Kate Comstock, the love-benumbed creature whose treatment of her crevice of the ingrowing nail reduces daughter brings to the part an emo-inflammation and pain and so toughtional sympathy. Cullen Landis is ens the tender, sensitive skin under-

'Put God in Life,' Says Preacher

Professor of Sociology at Creighton University Speaks at St. Johns.

Rev. Thomas Egan, S. J., professo of sociology at Creighton university,

Baseball being ended for this have the same congenial colleagues less you are simply a good man, your Baseball being ended for this year, young gentlemen will perhaps concentrate their minds now on the fact that only 81 days of 1924 are left. It is time to "do something," unless it is to be again

have the same congenial colleagues in another bundle of adventures. In this latest opus, showing the exploits of the "friendly enemies" the funding the fine of the "friendly enemies" the funding the fine of the "friendly enemies" the funding the friendly enemies is you are simply a good man, your degree of social value is very low. Many that are individually successful are socially inefficient," he said.

But I knew that to laugh at Katie, whose concern for me, for all its buffonery, was most sincere, would be suffered and struggle for existence of the first that are individually successful are socially inefficient," he said.

But I knew that to laugh at Katie, whose concern for me, for all its buffonery, was most sincere, would be suffered and struggle for existence of the first that are individually successful are socially inefficient, whose concern for me, for all its buffonery, was most sincere, would wound her feelings—always like the filming "beauts" the partners cre-ate an endless amount of fun. drama—all the fine points of the original. George Fitzmaurice was particularly skillful in the manner in which he has brought forth its poignant drama—woven around a theme that most men, are tarnished of character—that the best solution for a woman in love is to accept one who cleans easily.

First we are introduced to a philandering husband and father who has carried his family into the throes of poverty and unhappiness through his indiscretions. The pivotal character is a gold-digging manicurist who has "fleeced" him of \$500. When his hard-working daughter tries to recover the money, she-finds her fiance hopelessly emmeshed in a web of intrigue. He is innocent, but his past fleeced.
