STOCK REDUCING SALE

Our Great Million Dollar Sale Continues With Sensational Values

The second day of the big sale was equally as big as the first, which proves that the Omaha public fully realize the importance of the event. They realize that to accumulate this great sum of money for the creditors and to put Burgess-Nash on a sound financial basis, WE HAVE SACRIFICED OUR PROFITS AND ARE TURNING OUR ENTIRE STOCK INTO CASH. They are buying as they have never bought before.

If you haven't attended this monstrous sale—do so tomorrow—do your shopping at "Everybody's Store," where all Omaha is buying.

It has been almost impossible to take care of the enormous crowds in our usual efficient manner. Our delivery department is working night and day in an effort to maintain that standard of service that has made it justly famous. As our counters become depleted they are quickly filled from our reserve stock rooms, so that those who have not already attended the sale may find as good values as those who attended first day's selling.
