Creighton Grads Here October 25

Homecoming Day Plans Begun; 4,000 Alumni Expected to Participate.

The third annual homecoming of Creighton university, October 25, will be the most successful since the creation of the get-together day, according to school authorities.

The committee, headed by Guy V. Furay, expects to entertain from 4,000 to 5,000 visitors.

A presidential candidate, a vice presidential candidate, the governor of Nebraska, the mayor of Omaha and the Omaha Chamber of Commerce will form an auspicious committee to welcome the returning Bluejays.

Several preliminary entertainments have been planned for Thursday and Friday, although the festive day will be Saturday, October 25.

Haskell Indian Game.

President John F. McCormick, S. J., will deliver the address of welcome at 10:30. Student stunts on the campus and in the gymnasium will follow.

Hugh Gillispie will take charge of the hungry ones at noon with his barbecue luncheon on the north campus. Following the barbecue the alumni roll will be called. The class having the best representation will receive a silver loving cup.

An outo corps, in charge of James Connell, will transport the visiting alumni to League park following the barbecue to witness the Creighton-Haskell Indian football game.

The law alumni will be entertained at a banquet at 6. All the old grads will gather in the University club rooms at 8 for a reception and smoker.

The homecoming ball, the climax of the homecoming celebration, will be held on the gym floor at 9.

MAENNER COMPANY HAS MODEL HOME

To satisfy the present demand for homes which can be bought for between $5,000 and $5,500 on easy terms, the T. H. Maenner company has built a model home at 4514 North Forty-first street.

The Union Outfitting company has furnished the house completely, so that newly married couples can decide just how much their home and furniture will cost per month.

The home will be open for inspection from 2:30 to 9 p. m. Sundays and from 6:30 to 9 p. m. on week days.

BOWERS AND WIFE HELD FOR SLAYING

Madison, Oct. 17.—At preliminary hearing before Judge Putney, John Bowers and Mrs. John Bowers, both charged with murder in the first degree, with firing the shot that killed young Cherrington on the night of August 31, were bound over to the district court for trial without bail.

Willis Reed, attorney for the defense, made an effort to show that there was no justification for the charge against Mrs. Bowers as an accessory and also that there was no justification in the charge of murder in the first degree against Bowers, and sought to have the court bind Bowers over to the district court on the charge of manslaughter.

The couple will probably be tried at the December term of court.

Farm Land Values Rising Steadily

Sales in Northeast Nebraska Indicate Confidence Has Returned.

Newcastle, Oct. 17.—Recent sales of farms in northeast Nebraska show every indication that the price of land is gradually getting back to normal, which is a further indication that the exodus from the farms to the cities is decreasing and the return to the farms is increasing as confidence in prices and credit is restored.

A large farm near Crofton, known as the Daley farm, sold recently for $142 an acre, cash consideration. In Thurston county two second class farms of 160 acres each sold at $155 and $160 an acre, respectively, and another farm in the same county, consisting of 202 acres, sold for $200 an acre. Fred Cubertson of South Sioux City, Neb., sold a 15-acre farm on Walker's island, for $12,000 or $800 an acre.

The Culbertson farm is a small and an exceptional piece of land which offers better opportunities than usual on account of its rich soil and location near the city, but other farms mentioned are of the ordinary sort. From the prices paid as well as from the frequency of the sales, it is evident that the farms along with the farmers, are coming back to their own.

KEEP LOOKING YOUNG

It's Easy—If you Know Dr. Edwards' Olive Tablets

The secret of keeping young is to feel young—to do this you must watch your liver and bowels—there's no need of having a sallow complexion—dark rings under your eyes—pimples—a bilious look in your face—dull eyes with no sparkle. Your doctor will tell you ninety per cent of all sickness comes from inactive bowels and liver.

Dr. Edwards, well-known physician in Ohio, perfected a vegetable compound mixed with olive oil to act on the liver and bowels, which he gave to his patients for years.

Dr. Edwards' Olive Tablets, the substitute for calomel, are gentle in their action yet always effective. They bring about that natural buoyancy which all should enjoy by toning up the liver and clearing the system of impurities.

Dr. Edwards' Olive Tablets are known by their olive color. 15c and 30c.

SUFFERED SINCE YOUNG GIRL

Words Failed to Express Benefit Received from Lydia E. Pinkham's Vegetable Compound

Greenville, Texas. — "Words can not express how much good Lydia E. Pinkham's Vegetable Compound has done for me. Every month I would have cramps and headache, and I felt like I was freezing to death. I suffered in this way from the time I was a young girl, and all the doctors said was 'operation. For months I had a tired, sleepy feeling all day, and when night would come I would be so nervous I couldn't stay in bed. Our druggist recommended the Vegetable Compound to my husband and he bought four bottles. I have taken every one and I think I have a right to praise your medicine."—Mrs. J. B. HOLLEMAN, 2214 E. Marshal St., Greenville, Texas.

For fifty years Lydia E. Pinkham's Vegetable Compound has been used by women from girlhood through middle age.

It is a dependable medicine for troubles common to women. Such symptoms as Mrs. Holleman had are relieved by correcting the cause of the trouble. For sale by druggists everywhere.
