

Fumble Enables South to Defeat Creighton Preps, 7-6

Elevens Play on Even Terms Throughout Game

Captain Reeves Scores Winning Touchdown for Patton's Squad; Young Blue-jays Use Aerial Attack.

ATE decided the winner in the Creighton Prep-South High football game on the Technical High athletic field yesterday. She rested with Coach Patton's eleven for a brief instant in the second quarter of the contest, but that was enough to enable Captain Joe Reeves to smash across the line for a touchdown, and to allow Kalstrom to add what proved to be the winning point on a place kick. The final score was 7 to 6.

The ball remained near the center of the field during the first quarter. After a punting duel between Miller of Prep, and Kalstrom of South, in which the southsider had the better of the argument, the final moments of play in the second quarter found the ball on Creighton's 22-yard line with Prep in possession.

Three line smashes failed to gain yardage and Bud Miller drew back gone in at quarter not mixed up on his signals and called for an end run, and an avalanche of red-jerseyed men swooped down on Miller, to bury him on the 10-yard line.

From there a brace of line bucks by Olson and Reeves followed, center smash by Captain Reeves for a touchdown, sent the Red and White stands cheering. Kalstrom kicked goal.

The third quarter was played even, with South still proving superior in regaining fumbles.

Unleashing a dazzling short passing attack that had the Packers completely baffled, the junior Blue-jays in the final quarter marched down the field from the 70-yard line to the 10, from where Higgins sneaked across the line on an off tackle play. Miller's place kick was low.

The summary:

SCHLAIFER, LATZO FIGHT POSTPONED

George "Hard Luck" Yager again has lived up to his name. Yager, who is the matchmaker for the Spanish War Veterans' club, Wednesday announced the signing of Pete Latzo, Scranton, Pa., writer, to a 16-round match with Morrie Schlaffer, to be held at the auditorium the night of October 24.

Jimmy Basco, manager of the Quaker fighter, is the man who threw the wrench into the cogs. Basco, Thursday, wired Yager to the effect that his man had contracted a series of boils and would be unable to appear here next week.

French Boxer Brings Suit Against Doctor

New York, Oct. 17.—Willie Hoppe led Alfred de Oro, 400 to 201, last night at the conclusion of the eighth block of their 600-point three-cushion billiard match. Hoppe won the afternoon session, 50 to 30, in 67 innings, and took the evening engagement, 50 to 49 in 41 innings. Hoppe's run of nine tonight was high for the match. De Oro's best today was five.

Wins Net Doubles Title.

Cambridge, Mass., Oct. 17.—J. W. Davies of Los Angeles and E. M. Wheeler of Bridgeport, Conn., won the doubles tennis championship of the year yesterday here by defeating Takelochi Harada of Japan, Harvard singles champion and Japanese Davis cup player, and Elden Briggs of Brookline, 6-1, 6-3, 6-1. Wheeler was captain of the Yale tennis team and Davies has played with Leland Stanford team.

Ben Johnson, president of the American League, and Judge K. Landis, league director of all baseball, are due to be the battery for a post-season game. Johnson recently declared that the dollar mark has been set on baseball that all sense of propriety has been lost. And he says baseball must be cleaned up or closed up.

Husker-Colgate Contest Features Clashes in Valley Conference Today

KANSAS CITY, Oct. 17.—Three conference games and another inter-sectional clash claim the football spotlight in the Missouri Valley tomorrow. It will be east against the west when the Colgate eleven meets the Nebraska Cornhuskers on their own gridiron at Lincoln and the Nebraska aggregation, still smarting under their 14 to 7 defeat at the hands of Oklahoma last Saturday, are eager to trample the easterners.

Of the conference games, interest is about equally divided between the Missouri and Iowa State game at Ames and the Kansas universities Kansas Aggie battle at Manhattan. For both Missouri and the Kansas Aggies, the outcome will be of tremendous importance as neither team has yet met a conference rival.

The Aggies and Jayhawkers will attempt to break a tie game jinx that has hung over them in their annual games the last two years. In 1922 they fought a 7 to 7 stand-

Shutouts Mark Soccer Games

TODAY'S GAMES.

District No. 1.

Jungman plays South Central at Athletic.

Three teams entered in the annual Omaha Bee grade school soccer tournament in the fourth day of play in the annual event.

Edward Rosewater won a clean, spirited 1 to 0 victory over Train at Riverview, while Vinton won by the same margin over West Side. This game was played at Christie Heights.

Rokusek retained the first mix, and Johnson the latter.

Rogers, Clark, and Lundgren kicked goals for Field to win by a 3 to 0 margin from Columbia. Anderson of Field.

The game scheduled between Sherman and Saratoga at Miller park had to be called off when the referee failed to appear. In a practice game, Sherman kicked a goal to win 1 to 0.

Only one game, that between Jungman and South Central at Athletic park, is scheduled for today.

PACKER SECONDS DEFEAT CENTRAL

The fast South Omaha High school second team together with the reserves gave the Central senior aggregation a 13 to 0 trimming yesterday at Athletic park.

The Purple were merely outplayed in all departments of the game. Not only did the Packers play excellent ball on the defense but also showed ball on the offense.

By playing straight football Central might have scored a touchdown. Early in the second quarter the Purple seniors worked the ball down to the 10-yard line. With the ball in position to score, the quarterback called for passes, which resulted in Central losing the ball.

FONTENELLE GOLF CLUB TO BANQUET

The annual Fontenelle golf club banquet will be held at the Fontenelle hotel on Monday evening, November 3. This was decided at a meeting of the directors held last night.

After Best Runners.

Cincinnati, O., Oct. 17.—Efforts will be made to attract the best racing to be held at the United States to New Orleans this winter, according to E. R. Bradley, master of Idle Hour farm.

To Play in Bluffs.

Atlantic, Ia., Oct. 17.—Atlantic High invades Council Bluffs Saturday where the local gridlers engage Abraham Lincoln High. Atlantic has played and won three games this season. The opposing team outweighs the locals who will rely on aerial work to win. Atlantic was scheduled to play Guthrie Center Friday of this week, but the contest was canceled.

Dawes Keen Follower of Outdoor Sports

Charles O. Dawes, republican candidate for vice president, who is better known as a banker, and for the results he gained in France as a brigadier-general, is a lover of the outdoors and never declines an invitation to hunt or fish if he can find the time from his work.

Mr. Dawes usually finds the time and is "the life of the party," once the real business of hunting or fishing gets under way. He is an excellent shot, either with rifle, gun or rifle, and knows how to lure the piscatorial brethren from their normal haunts.

The ex-general prefers to hunt ducks, if the choice is left to him, but just so long as it is hunting or fishing, it makes no difference to him what the quarry may be.

Cardinals Prove No Match for Tarkio Eleven

Coach Adams' Squad Displays Good Brand Ball in Second Half—Captain Bolzendorf Injured.

INEXPERIENCE and a green line told heavily against the University of Omaha football team in its first game of the season with Tarkio Friday afternoon at League park, Tarkio humbling the Cardinals by a 47 to 0 score.

The Missourians, with 10 veterans in their lineup, swept the untried Omaha eleven off its feet in the first half, scoring 21 points in the first quarter and 13 in the second.

In the second half the Cardinals showed a much better brand of ball, and uncorked a passing game that threatened to bring a touchdown, but an intercepted pass left the only scoring chance the home team had.

Tarkio made heavy gains on exchanges of punts, as the green Omaha line failed to hold, and Slater succeeded in getting only one punt off in time.

The Missourians' backfield, Caldwell and Slater made some good gains, and Dietz played a good defensive game. The lineup and summary follow:

TARKIO, OMAHA UNI.

Hendricks Will Strengthen Reds

Cincinnati, Oct. 17.—Realizing that the importance of starting early to build up the team, for next season, Jack Hendricks, manager of the Cincinnati Nationals leaves Saturday for the Pacific coast to look over players recommended to him, with a view to purchasing them for Reds.

The passing of Daubert, the release of Duncan to Washington and the imminent release of George Burns, makes it necessary to strengthen the team.

If the proposed class AA championship series between St. Paul and the winner of the Coast league pennant is played, Hendricks will see a number of prospects in action. Among them outfielder Welch of Seattle, and Shortstop Ryan of the San Francisco club.

To Play Glenwood.

Red Oak, Ia., Oct. 17.—The Red Oak High school football team will meet the Glenwood team here Saturday afternoon at 3:30 o'clock at Chautauque park. This is the second game of the season. Glenwood has not been on Red Oak's schedule for several seasons and a hard game is expected. Floyd Thompson, Walter Culver and Leslie Smith of the regular team will not play Saturday, but will be replaced by Harold Hammond, Ross Thompson and Everett Snyder.

How terrible it is to go through life with crossed eyes. No greater handicap in spite of the fact that Ben Turpin has made capital of his deformity. In the past when only an operation could remove the affliction, the sufferer has in most cases remained a mark for thoughtless jesting. Epinar May Not Race in International Match

New York, Oct. 17.—The chances of Epinar, French champion thoroughbred, appearing in another international match race in this country were regarded as slim today, owing to the proposed schedule the horse will follow at Laurel, Md. This calls for Epinar to race in two and possibly three events on the regular Laurel card, leaving him little time for other appearances before his scheduled return to France.

Hole-in-one Golf club membership is on the increase. Now that the baseball season is ended the sportsman can turn his attention toward shooting golf and ducks. Two Lincoln golfers recently made a hole-in-one at the 133-yard shot.

Ty Cobb and Roger Hornsby are now the point of much argument. The question which is the greatest hitter? is causing the pens of numerous scribes to scribble impromptu discourses as to who is the greatest heretofore snicker of all time. It is like the old school debates. "Resolved, That Louie the Fourteenth was the greatest." What does anyone care what color the Louie wore so long as he had one and knew when to wear it?

Maroon Eleven in Good Shape—Coach Drummond Confident His Team Will Win Over Iowans.

OACH DRUMMOND and 14 Tech High gridsters left Omaha this morning for Sioux City, where the Cuming street boys will match their football skill against that of the Iowans this afternoon. Those making the trip were Charquist, Zust, Swartz, Holm and Erickson, backfield men; Captain Short, Winston, Lucas, Hall, Maasdam and Prevost, linemen, and Knight, West and Garvey, ends.

With everyone in good shape, with the exception of Prevost, who still limps with a bad leg, Tech will have no excuse to offer if beaten by the Sioux City team. However, that little thing is likely to happen unless the Maroon and White boys display more spirit in their play than they have shown in practice during the last week. The fight which has always characterized Tech teams has been noticeably lacking so far this season.

Little comparison can be drawn concerning the ability of Tech and Sioux City, because of the earliness of the season and the fact that these teams have not met on the gridiron since 1920. That game resulted in a 7-7 tie, but hostilities between the two schools were then dropped, to be renewed only this year.

After the last workout of the Tech team Thursday evening Coach Drummond expressed himself as confident

That his proteges would take the measure of the Sioux, though predicting a close score. Captain Short also forecast a victory for his team.
