Stock Reducing Sale

We Must Raise a Million Dollars in Cash at Once

The creditors have been more than patient and fair with us, but, as we stated before, we must raise \$1,000,000 in cash. The people have given us wonderful cooperation in helping to save Burgess-Nash Company for Omaha and we are showing our appreciation by giving them values such as they have never seen before.

Thousands of Dollars Worth of Stock Sacrificed

Our stock rooms are still well supplied with fine merchandise which is being placed on sale at prices that make the values just as great as they were the first week---in some cases even better.
