Stock Reducing Sale

WE MUST RAISE ONE MILLION DOLLARS DURING THIS GREAT SALE

Throngs still crowd our store every day—taking advantage of this opportunity to purchase merchandise marked at unsparing reductions. People realize that all our merchandise has been marked low in order to raise quickly one millions dollars and again put Burgess-Nash on a sound financial basis.

THOUSANDS OF DOLLARS WORTH OF NEW WINTER MERCHANDISE will be put out for the coming week of the sale—merchandise bought months ago for Christmas season—but which we must now include at great reductions. Although this is the fourth week—values are just as great. As merchandise is marked regardless of loss—all sales will be for cash only. Charge accounts are temporarily suspended.
