

# Packers Hard at Work Preparing for Contest With Central Next Saturday

## South Eleven in Good Shape for Purple Tilt

### Coach Patton's Squad Likely to Be Minus Services of Kurtz, Center—Pivot Position in Doubt.

Two consecutive defeats are enough to make any high school team give up the fighting ghost, but the Packers footballers are down at Athletic park every night hard at it getting in shape to give Omaha Central one tough old time of it next Saturday at Tech field. The walling that Tech handed the Southern two weeks ago and the heart-breaking result of the Fremont game has put the Packers in a fighting sweat that will make their eleven hard to stop next Saturday.

South suffered no serious injuries last Friday and all the regulars except Kurtz should be in the lineup against the Purple. "Frip" Pavelka, husky South high guard, reported back to the squad Monday and will be in shape to play his old reliable game, and Bertalini, fleet backfield man, is fast returning into shape from his torn shoulder.

The Packers are rapidly getting down to organization and should prove to be strong all through the Central game and not by short spurts as they did in the Tech and Fremont games. They have a hard hitting backfield, a strong line, and lots of fight, but due to the greenness of the Red and White material the team seldom gets off on the right foot.

## Cass, Lothrop Win Soccer Titles

Two district championships were decided Tuesday in The Omaha Bee grade school soccer league when Cass defeated Edward Rosewater, 2 to 0, for the district No. 4 championship, and Lothrop lost to district No. 2 title to Howard Kennedy, 4 to 0.

The Cass-Edward Rosewater game was a thriller. Both teams were about evenly matched, with the greater skill of Captain Tommy Wells, John O'Brien and Fay McCarty swinging the margin in favor of Cass. O'Brien and McCarty scored the goals. The game was played at Riverview park.

Scoring two goals in each half, and keeping the ball well into Lothrop territory throughout the game, Howard Kennedy proved superior. Meredith Anderson, with two goals scored, led the point gatherers. Morrow and Beasley each kicked a goal. The game was played at Douglas field.

## EIGHT HORSES IN BOWIE HANDICAP

Baltimore, Nov. 11.—Eight horses are scheduled to face the barrier in the Bowie handicap, \$10,000 added feature of today's Pimlico card.

## SENATORS MAY GET SHOCKER

Washington, Nov. 11.—With the question whether Walter Johnson will be a member of the Washington Americans next season still a matter of conjecture, President Griffith has announced his intention of broaching a deal with St. Louis for the services of Urban Shocker. Its split ball pitcher, Mr. Griffith said he expected to confer on the subject with Manager Sisler at the annual American league meeting in New York next Monday, adding "if the price set is not too high, I may make a deal for Shocker."

## O'HARA MATCHED WITH WALKER

Chicago, Nov. 10.—Joey O'Hara of Fort Dodge, Ia., was matched tonight to box Mickey Walker, world welterweight champion, in a 10-round contest in Milwaukee on Nov. 24. O'Hara, a tall, thin Moore, British welterweight, to a draw here last week in a 10-round match.

## TUNNEY KAYOES BUDDY M'HALE

Memphis, Nov. 10.—Gene Tunney, American light heavyweight champion, knocked out Buddy McHale of St. Louis in the second round of a scheduled eight-round bout here tonight. McHale was hopelessly outclassed.
