LONGWORTH FOR CURBING RADICALS

Washington, Nov. 22.—Representative Longworth of Ohio, republican house leader, came out today in favor of restricting the consideration heretofore given the insurgent republicans in the house.

Those insurgents who failed to support President Coolidge, Mr. Longworth said, had no reason for undue consideration in the organization of the next house.

The Ohio representative who called upon President Coolidge, contended, as have several other republican members of the house or senate, that inasmuch as the republicans will be held responsible for legislation the party should take such steps in the organization of the next house to prevent hindrance from the insurgent group. He did not outline, however, any specific plan for taking care of the La Follette supporters in the way of committee assignments.

FIGHT SPOILED FOR BOYS BY POLICE

Police interfered seriously with the plans of four boys to see the boxing program at the Auditorium Friday night.

The boys forced the east door of the building, waited for a favorable opportunity, and then slipped inside and hid under the stage.

Police found them and arrested them before the program started. They were released after the affair was all over.

At the police station the boys gave the names of Raymond Augusta, 18, 4526 Mayberry avenue; Sam White, 17, 219 North Thirteenth street; David Rosenberg, 14, 2763 Webster street, and Nathan Fine, 15, 2772 Webster street.

FLAG CEREMONY AT COOLIDGE TOWN

Plymouth, Vt., Nov. 22.—This village, birthplace of President Coolidge, today honored the memory of Capt. John Coolidge, soldier of the revolution and great-grandfather of the president. A flagpole, the gift of the Massachusetts society, Sons of the Revolution, was dedicated at the village school house in memory of the revolutionary warrior who fought at Bunker Hill.

The flagpole has been placed near the present school house which occupies the site of the school in which President Coolidge received his early education.

Later the flag will be raised by Col. John Coolidge, the president's father.

3,000 GALLONS OF ALCOHOL MOVED

Sheriff P. A. Lanson and a force of deputies moved 3,000 gallons of pure alcohol from a box car in the Wabash railroad yards Saturday morning to a strong room in the county jail.

The sheriff seized the contraband Friday. It was consigned from Brooklyn, N. Y., to San Francisco and was labeled "olive oil."

The alcohol made nine big truck loads, and the removal was observed by a large crowd of men, many of them thirsty. The sheriff said it would probably be turned over to federal authorities.

MEN'S REFERENCE BUREAU LOSES

A jury in Judge James Fitzgerald's court found Friday that a reference bureau is an employment agency and must be licensed and bonded as such.

The verdict was against Talmage G. and Wyman C. Beebe of the Business Men's Reference Bureau. The case probably will go to the supreme court, according to Deputy County Attorney Gordon Nicholson, prosecutor. The case is a trial one; four others are pending.
