Slender Women are more popular—

A graceful slender girl holds a fascination which only slender women have. Men admire a youthful silhouette. Instinctively, they are drawn towards the woman whose figure is graceful and shapely. That's why slender girls are always popular. But why worry about being overweight? It's easy to reduce. Use Marmola Tablets (thousands of men and women each year regain healthy, slender figures this way). These tablets will make you slender again. Try them. No exercises or diets. All drug stores have them—one dollar a box. Or they will be sent in plain wrapper, postpaid, by the Marmola Co., 1760 General Motors Bldg., Detroit, Mich.
