

A bouffant dress of rich brocade. One of the most gorgeous materials used for this season. The brocade combines gold, jade green and red, and the lace is of gold.  
—Wide World

Arthur Newton, forty-one year old South African farmer, who ran from London to Brighton, a distance of fifty miles in five hours, fifty-three minutes and forty-three seconds.  
—Wide World

Charles Boyce, son of Mrs. Faith Boyce of Atlanta, Ga., who passed a mental test given at Emory University at Atlanta, showing that his mental age is 19, although but eleven. The average adult has a mind rating 16 years. Charles is a regular boy, likes all sports, swims, plays ball, football, tennis, etc. He will enter college next fall at 12.  
—Wide World

An effective example of the prevalent straight lines in evening gowns is shown in this new creation in white satin embroidered with gold and silver beads.  
—Wide World

Christmas trees cut in and near Woodstock, Vermont, ready for the market, after undergoing a rigid examination by Federal Inspectors, who look for traces of the dangerous Gypsie Moth.  
—Wide World

George Arliss, stage and screen star, back in this country after an extensive tour abroad.  
—Wide World

The U. S. S. Langley, the Navy's only plane carrying ship, in Gaillard Cut, while going through the Panama Canal.  
—Wide World
