

# Eddie Collins to Receive \$25,000 Next Season as Pilot of White Sox

## PLAYER-MANAGER OF CHICAGO PALE HOSE WILL RECEIVE FAT SALARY FOR SEASON'S WORK

Charles Comiskey Opens Pocketbook and Pays Pilot \$25,000—Will Give Collins Material to Develop Good Club.

By DAVIS J. WALSH.  
CHICAGO, Dec. 19.—Edward T. Collins, probably the greatest second baseman baseball has known, will continue to pilot the Chicago White Sox next season at a salary of \$25,000 as player-manager of the Chicago White Sox, according to information bandied about today among baseball men as they departed for home.

Collins thus entered the small but select group of baseball "heavy sugar" boys, the coterie including Messrs. Ruth, McGraw, Cobb and Hornsby.

No other ball player or manager is believed to draw more than \$20,000 a year. Charles A. Comiskey, who is not inclined to be careless with important money, will look for Collins to make good on the investment. The length of Edward's contract, one year, is the tip-off on

Comiskey's attitude. Never before has he paid an employe more than \$15,000 a year. The present arrangement would prove somewhat irksome to him if the White Sox were chronic losers under Collins.

Collins, of course, will get a fair deal. In fact, he probably will receive better financial support than any manager outside New York, for Comiskey has told friends that he will back Collins to the limit, even to the extent of paying as much for a good minor league prospect as he did for Willie Kamm, to wit, \$100,000.

At the same time he admits that he can not really buy what the Sox needed last year—a hustling ball club. Johnny Evers was dropped down in a tough spot when Frank Chance died. The going became rougher as the campaign progressed. There seemed to be quite a number of ball players in Chicago who would not win for Evers. Though the White Sox lacked consistent pitching and a shortstop, they were not a last place ball club on paper. The Sox finished last, but Collins must have a shortstop and the tip is out that Comiskey will shortly indulge himself in another costly minor league purchase.

## Newspaper Reveals Betting Scheme To Fix One or Two Races Each Week

Chicago, Dec. 19.—Letters signed "The United Riders Society of America" soliciting co-operation in a scheme to fix one or two races a week by placing their own agents as riders on the horses, have been received by 50 Chicagoans and also sent to 50 persons in all the large cities of the country, today's Herald and Examiner said.

The promoters, who used the names of prominent jockeys, asked the recipients of the letters to make certain bets on designated horses and turn over any winnings to the promoters in return for the privilege of making any other bets desired, the newspaper said.

The letter said the society had branches in Toronto, Montreal, New York, Cincinnati, New Orleans, San Juan and Havana, with a membership of 1,000 carefully chosen jockeys.

## Boosters Trim Athletic Club

Denver, Colo., Dec. 18.—The Denver Boosters made a two-night over the Omaha Athletic club basketball team Thursday night at the City auditorium winning by a 34 to 27 count. Coach Darrell of Denver started three substitutes and Omaha got the jump. Baskets by Captain Smith and Christensen put O. A. C. into the lead, which they held during the first 10 minutes of play. Then great shots by Bruce soon gave Denver a 5 to 7 advantage, which they held throughout the game.

The score at half time was Denver 15, Omaha 11. In the last half the play was nip and tuck. Denver shot passing and short basket-shooting game gave them the edge to win out, Omaha found it hard to break through Ryan and Vidal and were forced to hit the hoop from long range. Bruce, Ryan and Vidal starred for the Mile High team and Superiors and Christensen were Omaha's best bats. The teams met in the final game of the series Friday night.

## MARANVILLE TO CAPTAIN CUBS

Chicago, Dec. 19.—Walter (Rabbit) Maranville, star second baseman and shortstop, today was named captain of the Chicago Nationals when he called upon President Veeck and signed his contract.

Payne Kayoes Johnson, Pueblo, Colo., Dec. 18.—Jack "Tiger" Payne, Chicago middleweight, knocked out Eddie Johnson of Pueblo, in the six round of a scheduled 10-round bout here tonight.

sent to St. Louis in the trade by which New York gets Ernie Shocker was a greater benefit to the Browns than Shocker was to the Browns. Records reveal that Bush conquered the Browns in 17 consecutive games he pitched against them over a period of three years. He beat them seven straight in 1922, six times in 1923 and four times last season before the Browns finally broke the streak. Shocker, who has pitched for the Jays held on the Yankees last season, losing five games to them while winning only two.

The greyhound, on the other hand, is a creature of habit and the best American mark for the game chance among running horses is made by Nash Cash in 1923. Man's best time in the mile is 4:10.2, made by "Peerless" M. Sheppard, former Olympic champion, in 1916.

Houston college's record-breaking relay team is expected to be the champion of the American relay team at the coming season. The team was established by a group of students who established a record of 1:10.2 for the mile relay. The team was composed of: Fred H. Smith, 1:10.2; Fred H. Smith, 1:10.2; Fred H. ## Risko, With Right Kind of Sock, Looms as Latest Hopeful

IN A year or two John Risko, Cleveland heavyweight, should loom up as a logical contender for the heavyweight crown, now gathering dust in the closet of the movie actor Jack Dempsey.

At least Risko should be as logical a contender as any of the bevy of hopefuls and highly press-agented gents now seeking a crack at Dempsey's sky pie. That is the opinion of many who have seen Risko develop in recent months.

It has been mentioned before, without drawing any argument, that the prime requisite of a heavyweight is the ability to sock. Roundhouse swings are not the kind of socks spoken of. The short, straight ones that sink the receiver drunk-ly like a soggy, water-logged ship, are the right kind. And Risko has these.

First of all, let us sight Mr. Risko's k.o. record. While getting his bearings and some pretty pester medals as an amateur, Jonathan Risko drew the referee's decision in 12 rounds—a decision that was given the bona by the assembled multitude. Only the referee's wife can listen to his reasons for his verdict.

Risko's knockout victims include Harry Krohn, Joe Downey, Sam Denis, Mike Wallace (sweet revenge for that whack as an amateur), Billy Walsh and a limbo named Battling J. D. He has point decisions over no less a husky than Homer Smith and the well-known Joe Lohman, who has met the rank and file of 'em for years.

Risko started out as a clumsy, lumbering mauler. His greatest enemies were his feet. He finally led them into the paths of rectitude and acquired some technique. It was not until Danny Dunn, once a clever little fighter and now his manager, took him in charge that Risko really found himself.

## Jack Lelivell's Loss to Tulsa Bitter Pill for Oiler Fans to Swallow

HE more one ponders the subject, the more he is impressed by the gigantic task facing the man who is chosen to pilot the Tulsa Oilers in the Western league campaign of 1925.

The going of Jack Lelivell leaves the first sturdy of Muskogees. Sturdy in the Class C league batted .333 as compared to Lelivell's .314 in Class A.

From second base has gone "Mule" Washburn, not only a .384 hitter and the league's Babe Ruth, but the best fielding second baseman of the West.

Third never was very well taken care of last season, and while Flippen is a flashy little fielder around short he wasn't able to reach a very high batting mark despite the short fences at McNulty park, which swelled the team average to .50 points over his mark.

Boxer Drops Dead.  
Billings, Mont., Dec. 18.—Judd (Young) Tate, 18, toppled over dead in the first round of his first professional boxing match, the opening bout of a fight program at Miles City tonight. Carl Coltrin of Miles City, Tate's opponent, is being held by local authorities pending an investigation into the circumstances on the death.

High School Grid Game Postponed.  
Portland, Ore., Dec. 19.—The football game arranged for tomorrow between the Waite high school team of Toledo, O., and the Lincoln high school of Portland was canceled today, on account of the frozen condition of the field. The Waite team announced it would return home.

The announcement of the cancellation of the game was made after a conference of officials of the Waite team and of Lincoln high school. Representatives of the Waite team declared that on account of the snow and ice on the field they would not ask their men to play. Lincoln high school representatives said the officials of the Multnomah Amateur Athletic club had promised to put the field in shape, but the Toledo players did not think it advisable to go ahead with the game. The Waite team expects to leave here tomorrow night and to return east via a southern route.

## Will Show Slow Motion Pictures of Golf Champs

New York, Dec. 19.—Golf champions and former champions are seen in action, both natural and at slow speed, in a series of motion pictures ready for release under the auspices of the United States Golf association.

Those who appeared before the camera included Bobby Jones, Jr., national amateur champion; Max R. Marston, former national champion; George Von Elm, twice leader in the northwest and Dr. O. P. Willing, Pacific northwest and Oregon claimant.

At Schacht, Washington coach and center on the diamond with Nick Altrock, recently was refused permission to stage burlesque boxing exhibitions. The commission ruled there were enough clubs in the boxing game.

## Grid Players Dismissed From School for Hazing

Oxford, Miss., Dec. 19.—Howard Guber, George Armstrong, Tobe Wood and "Chum" Totten, varsity football players, were included in the list of students dismissed from the University of Mississippi as a result of hazing Tuesday, according to a partial and unofficial list of those sent from the school.

In addition to Earl "Potts" Johnson, captain of the basketball team, "Fresh" Williamson, tackle on the freshman football team, and Henry Kink, law student, of New Albany, Miss., are said to have been given notice of expulsion.

The number of students dismissed from school since Tuesday night, when upper classmen sheared the heads of about 75 freshmen, is placed at 15. The investigation is still under way and other dismissals may follow.

## SCRAMBLED SPORTS BY WAG

WESTERN LEAGUE FAILS TO SEND USUAL QUOTA OF STARS TO MAJORS.  
"P A" TEARNEY'S Western league failed to send its usual quota of players to the majors during the season of 1924. Judging the past season with 1922 and 1923, the circuit has slumped somewhat in producing ivory for the big brothers.

Thus far only two Western league players of 1924 have been peddled. They are Thompson, second baseman, and Louie Koupal, pitcher, both of the championship Omaha Buffaloes. 'Tis true that "Nick" Cullop goes to the New York Yankees next spring, but "Nick" was sold to the Huggins club in 1923, so can't be included in the 1924 sales.

The Western fairly sparkled with good material last year, but this material didn't belong to club owners. In most cases the material in question was in this circuit on option. Take for instance, Outfielder Osborn of Omaha, Outfielder Douthitt of St. Joseph, and Pitchers Bayne and Blacholder of Tulsa. They all were on the rosters of their respective clubs as optional players. Osborn goes back to Seattle, Douthitt to the Cardinals and the two pitchers to the Browns.

There have been several changes made in the rosters of all Western clubs, but it remained for Barney Burch to sell two members of his championship team to the majors.

WANT ED WEIR TO POINT STOCK JUDGING TEAM.  
THE University of Nebraska produces crack football, track and field teams and last but not least, champion stock judging teams.

Recently the Nebraska stock judging team won first place in a stock judging show and right then and there things began to brighten up among the "Aggie" students at the Husker school.

Ed Weir, captain of the 1924 Husker football team and captain for 1925, is a student in animal husbandry. He is said to be a very good judge of stock, in fact, as good a judge of stock as he is a football player and Ed is an All-American tackle, too.

Next year Weir will be a senior, and members of the stock judging team want him to become a member of the judging team.

The chances of Weir quitting football to become a member of the stock judging team are not very bright. Dawson needs Weir on his football team and will get him.

CREIGHTON MAY PLAY ST. LOUIS DAY  
ON FOREIGN FIELD TURKEY  
B ECAUSE of the Nebraska-Notre Dame game at Lincoln next Thanksgiving day, Creighton's football team may play the St. Louis university eleven in St. Louis on that date.

A. A. Schabinger, athletic director of the Bluejay knowledge foundry, is angling with the St. Louis athletic authorities for a game in St. Louis and thus far indications point to such a contest.

The Colorado university and Detroit university have halfway signified their intentions of playing Creighton in Detroit, while Colorado is willing to meet Creighton in Omaha.

## Joe Speicher Unable to Play Against Gophers

Star Creighton Basket Ball Guard Injured During Cage Practice.

L' MAN GLOOM, alias Tough Luck, entered Creighton university gymnasium during basketball practice Thursday evening and piled his trade in the form of an injury to Joe Speicher. Bluejay guard.

Speicher, who is one of the best basket ball guards in the conference, also played football last season. He starred in Creighton's victory over Marquette, but during the game was injured. He was kept out of the football lineup for the remainder of the season so that he could play basketball, but last night during a hot scrimmage with the freshmen this same injury cropped out so prominently that Speicher will be unable to play against Minnesota here Monday night.

Coach Schabinger has two good guards in reserve in Koudele and Conway. Koudele played in several games last year and will get the call Monday evening.

The Bluejay hoopers have been showing up well in recent practice sessions with the freshmen. The Gophers, however, will give the Bluejays plenty of trouble. Minnesota has won two games already this season and will enter the Creighton contest benefited by this early season experience, all of which counts a whole lot in basket ball.

## Promoter of Big Auto Race In "Hot Water"

LOS ANGELES, Dec. 19.—A third prong was added to the legal pitchfork with which public authorities have been probing the activities of George Bente, promoter of the Ascot Speedway association and its recent Thanksgiving day road race here, when the city prosecutor issued a complaint charging Bente with false advertising.

Bente advertised the race as a 250-mile contest, the complaint states, but actually ran only a 160-mile affair. He also advertised, it is alleged, that the winner would get \$52,000 in prizes, but the winners are still waiting.

In connection with the \$52,000, Bente was recently arrested on a charge of obtaining labor under false pretenses and is now awaiting trial. The other prong of the pitchfork was the suspension by the state corporation commissioner last Tuesday of the speedway association's stock-selling permit.

Smith watched Pennsylvania triumph over Cornell, 20 to 0. "Penn is the strongest defensive team in the east," he said. "In that respect I don't hesitate to place it ahead of Yale or Dartmouth. In scouting Penn for its weakness I was at a loss, for I could find no weak spots in either attack or defense."

"We will be prepared to meet the best the east has to offer, and that's about as far as I would like to go in the way of predicting."
