What You Have Been Waiting For

Toys at Great Reductions

We have cut the price of many items in our toy department for Monday just one-half. We list below a number of them, but there are many more that we do not have room to include. Our assortments are still large, so here is a wonderful opportunity to get toys at big savings. Owing to the large crowds that will respond to this announcement, we can-

not guarantee quantities on anything to last through the day. Therefore, we urge you to shop early. Extra salespeople to serve you. If you do not wish to pay cash, you may charge your purchases, paying for same in monthly payments next year. All toys are quality merchandise, and new this season. We never carry toys over from one season to another.
