"Ask Mr. Foster"---
 The Foster Travel and School Bureau has been established on the second floor and is ready to serve you concerning European or Southern and California travel.

Equally Great Values For This Second Week

On Monday new merchandise, new items, new prices, new bargain opportunities greet you on every hand. In many instances, as lots grow short, prices are lower, cut to effect immediate disposal; in these instances, which are numerous, you will find bargain opportunities such as you never found before. We urge early selection, lest lots be exhausted before the day is over.

The second week of this tremendous sale begins with new merchandise on every counter and shelf in every case and on every bargain square. Indeed, we've had to "step lively" to keep the new things brought forward fast enough to take the place of things sold out. So great have been the values, and so keen has been the appreciation of our customers, that lots of merchandise have been sold out as soon as offered.
