-brings joy to you and your friends.

EVERY man, woman and child wants to have strength and correct weight. It means the joy of living. To be minus strength and underweight often proves low fighting-power in the body. It often means you are minus nerve-power, minus red cells in your blood, minus health, minus vitality. It is serious to be minus, but the moment you increase the number moment you increase the number of your red-blood-cells, you begin to become plus. That's why S.S.s., since 1826, has meant to thousands of underweight men and women a plus in their strength. Your body fills to the point of power, your flesh becomes firmer, the age lines that come from thinness disappear. You look younger, firmer, happier, and you feel it, too, all over your

More red-blood-cells! S.S.S. aids Nature in building them by the million! There are no unproven theories about S.S.S., the scientific results of each of its purely vege-table medicinal ingredients are admitted by authorities. Begin tak-ing S.S.S. today.
