# Omahans Off for Highway Meeting

Plan to Urge Routing of Road Through Nebraska to Ziti Chicago.

William A. Ellis, assistant commis sioner of the Chamber of Commerce, and William B. Cheek, representing the Omaha Auto club, left Omaha Friday for Denver to attend a confertaken by the Oregon Trail.

The Oregon Trail association is meeting in Denver Saturday. Representatives of auto clubs and chambers of commerce in many cities in the midwestern part of the country are in Denver attending the

conference. The road is to be laid out from Portland, Ore., to Chicago, and at present is built as far east as Gran-

ger, Wyo. The two Omahans are pushing Omaha's claim to the highway, contending that this city is on a more direct line to Chicago by the way of Granger than any of the other cities making efforts to secure the high-

While gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Wyeth's Sage and Sulphur Compound, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared. After another application or two your hair becomes beautifully dark, glossy, soft and luxuriant and you appear

#### Drink Plenty Water and Take Glass of Salts Before Breakfast Occasionally

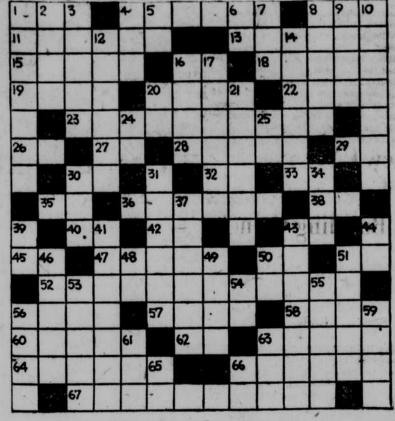

When your kidneys hurt and your back feels sore, don't get scared and proceed to load your stomach with a lot of drugs that excite the kidneys and irritate the entire urinary tract. Keep your kidneys clean like you keep your bowels clean, by flushing them with a mild, harmless salts which helps to remove the body's urinous waste and stimulate them to their normal activity.

The function of the kidneys is to filter the blood. In 24 hours they atrain from it 500 grains of acid and waste, so we can readily understand the vital importance of keeping the

kidneys active. Drink lots of good water-you can't frink too much; also get from any pharmacist about four ounces of Jad Salts. Take a tablespoonful in a glass of water before breakfast each morning for a few days and your kidneys may then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for years to help clean and stimulate elogged kidneys; also to neutralize the acids in the system so they are no longer a source of irritation, thus often relieving bladder weakness.

Jad Salts in inexpensive; can not fjure; makes a delightful effervescent lithia-water drink which everyone should take now and then to help keep their kidneys clean and active Try this; also keep up the water drinking, and no doubt you will wonder what became of your kidney trouble and backache. By all means have your physician examine your kidneys at least twice a year,
