

American Loop Bars Spring Exhibition Games Between World Series Winners

Club Owners in Annual Session Ratify Schedule

Offer to Build Monument to Baseball in Washington Withdrawn—Fall Classic Schedule Adopted.

ST. LOUIS, Mo., Feb. 10.—Club owners of the American league, meeting with President Dan Johnson for the first time since the joint major league session when they publicly reprimanded Johnson for his criticism of Commissioner Landis' administration, voted today to withdraw their offer to build a \$100,000 monument to baseball in Washington, D. C., and adopted a resolution prohibiting future spring exhibition games between winners of previous world series.

The club owners, after ratifying the 1925 schedule, also adopted a plan for a definite schedule for world series games and ratified the proposal of the baseball advisory council that the club finishing fourth in the pennant race should be permitted to participate in the world series pool. The proposal to increase the pay of umpires in the world series from \$2,000 to \$2,500 and in city series from \$500 to \$750 also was approved.

The meeting with President Johnson sitting in as the directing head was harmonious in every respect, the club owners evidently trying to forget their action of two months ago in writing their famous letter to Landis rebuking Johnson and removing him as a member of the advisory council.

Action to prohibit exhibition games between world series contestants was taken after the 1924 series. Participants in the 1924 series had arranged an extensive schedule of games during their spring training. The action of the club owners today will not necessitate the cancellation of the Giants-Senators games, but no such games will be permitted in the future.

The offer to build the monument in East Potomac park, Washington, was withdrawn in view of the fact that the proposal had met with opposition each time it came up in congress. It had been proposed to erect the monument, at a cost of \$100,000, and on the monument the names of the most valuable players in the league, selected annually, were to be inscribed. President Johnson said no other plan was proposed.

The new world series schedule provides for games 1, 2, 6 and 7 in the 1925 series to be played in the city which wins the National league pennant, with the games 3, 4 and 5 in the American league city. The following year the series will open in the American league, rotating annually.

A provision was made that the advisory council shall have power to change the schedule if it should happen that a city in which Sunday baseball is not permitted should win the pennant.

The action, taken at the joint meeting in Chicago, last December, providing that first year purchase players might be sent out on option for two years without asking for waivers was approved.

SWEDEN SEEKS SWIMMING COACH

Stockholm, Feb. 10.—A swimming coach with American experience is sought by the Swedish national swimming society and negotiations have begun for the engagement of Swedish-American trainer, Fred Sponberg. The society's aim is to make a bid for the highest honors in swimming at future international competitions.

LINKS RELEASE, ACQUIRE PLAYERS

Lincoln, Feb. 10.—The Lincoln club of the Western league has arranged for the purchase of Shortstop Frank Haley, who in 1924 games with the Wichita club last year led 325. It was announced here today.

The Lincoln club also has sold the release of Eddie Moore, outfielder, of the Vernon club of the Coast league. The transaction involves cash and the transfer of "Pip" Bernard, outfielder, to Lincoln.

The plan to have the Links train in Tucson, Ariz., has been abandoned. It was announced, and selection of the spring training camp will be made soon.

Wolverine Cagers Win

Evanston, Ill., Feb. 9.—Michigan defeated Northwestern, 17 to 16, in a conference basketball game here tonight. Ralph Baker, Northwestern's gridiron hero, was the outstanding star of the game. The Wolverines led at the half, 12 to 11.

WOMAN WEAK AND NERVOUS

From the Green Mountain State of Vermont, Mrs. L. A. Gunnman of Union Village writes: "I was weak, nervous, all run-down, and could not walk across the floor without resting, but Lydia E. Pinkham's Vegetable Compound restored my health so I am now working nine hours a day. I wish all sick and suffering women would try it." After three generations of marvelous success Lydia E. Pinkham's Vegetable Compound is considered the most dependable remedy for female ills.

Tobin's Inability to Obtain One More Hit Costs Browns Chance for Record

CHICAGO, Feb. 10.—Failure of Johnny Tobin of the St. Louis Browns to smash out just one more hit, ruined what would have been a remarkable record, of a trio of regular outfielders crowning the pill for six consecutive years with individual averages of .300 or better, according to statistics at American league headquarters here. Other members of the trio are Kenneth Williams and "Baby Doll" Jacobson, each of whom have remained at the .300 mark or above for six consecutive years, starting in 1919. Last season Tobin failed to make the grade, finishing with a batting mark of .299.

Other clubs in baseball may have had a regular outfield trio that has equaled the five-year record of the Browns but there is no record available here. It also is doubtful if any other club can boast a trio of flycatchers who have played so many seasons without change as have Williams, Jacobson and Tobin.

The six-year mark of the trio follows:

1919	1920	1921	1922	1923	1924
Williams	.300	.297	.297	.332	.254
Jacobson	.323	.352	.317	.269	.218
Tobin	.317	.349	.352	.331	.293

Williams joined the Browns in 1919 and in his first year touched the .300 mark in batting while Tobin, who returned to the team in 1918 after a one-year stay in the minors has batted above that mark since that time. Jacobson started with the Browns in 1917 and has been with them ever since.

DELANEY-TUNNEY BOUT IN SIGHT

New York, Feb. 10.—Negotiations are under way for a match between Jack Delaney, hard hitting Bridgeport (Conn.) boxer, and Gene Tunney, American lightweight champion, at Madison Square Garden, February 26, as a substitute attraction for the cancelled bout between Paul Berlenbach and Tiger Flowers.

Tunney has already accepted terms but Delaney is awaiting the outcome of his fight at the Garden Friday with Jimmy Slattery of Buffalo.

Announce Eligibles for Latonia Stables

Cincinnati, O., Feb. 10.—Three hundred and eighty thoroughbreds have been nominated for the 1925 Latonia championship stakes to be run at the Latonia track during the autumn meeting. The nominations made today show that Willis Sharpe Kilmer and Harry Payne Whitney lead in the number of eligibles, each having six representatives. The best 3-year-olds in America, including Master Charlie, are named to start in the stake, which will have an estimated value of \$40,000.

With the KNIGHTS of the GLOVES

Sheraton, Pa., Feb. 10.—Jack Zivic of Pittsburgh, scored a technical knockout over Bobby Tracy of Buffalo, in the sixth round of a 10-round bout here. The fight ended when Tracy was disqualified by the referee who declared that he had tripped. The nose without Zivic's leading a blow powerful enough to floor him. Previous to Tracy's being tripped, Zivic was leading by a wide margin.

Ireland, Switzerland, England, South Africa and Australia previously announced their intention to compete for the trophy held for the last five years by America.

France, which won the European zone competition last year and gave Australia a keen fight before losing in the inter-zone final, is regarded as one of America's strongest rivals.

Italy has several excellent players available, but has failed to make much headway so far in Davis cup competition.

Nurmi Fails to Approach Marks

Portland, Me., Feb. 9.—Paavo Nurmi, Finnish distance champion, disappointed Maine track fans when he failed to approach by several seconds the world's mark for 3,000 yards in winning the special invitation event at the second annual track games of the world, held here on Wednesday. The revenue in which these famous "Mister" stars are appearing, retain, by special request, a few of the bright spots of last season's entertainment, plus a large and brilliant addition of feature novelties. For this continental tour the management has assembled one of the best cast of principals ever heralded under one banner and the most fascinating chorus of artists' models ever lured from Broadway.

Mme. Pavlova's organization, which appears at the Brantley theater twice today, comprises a most distinguished personnel. The noted star, for this her first visit to America, has made acquisitions to her forces which give to them an even higher standard than that of the past. Each member of the ballet russe is a terpsichorean star with the added dramatic potentiality of a finished actor or actress.

Pavlova's insistence upon making her farewell American tour the most pretentious of all, impelled her to bring to America the eminent Alexander Volinine who, with the star's other premier, M. Novikoff, gives to the principal of the ballet russe an extraordinary importance. Pavlova also brought back with her the talented Mlle. Hilda Butsova, premier classique, and such favorites as Muriel Stuart, Tamara Friede, prima ballerina; Mm. Andre Zivinsky and the celebrated ballet master, Planovsky. Theodore Stier, noted maestro, again presides over the symphonic section.

Kansas City, Feb. 9.—Fred Etchen of Coffeyville, Kan., won the individual amateur flyer cup at the Interstate trap shooting tournament today in a shootoff with E. B. Melroth of Philadelphia. The cup was held by Pete Baggerman of St. Louis.

Etchen and Melroth were hand pressed in the flyer contest. D. K. Dickinson, Merriam, Kan.; Riley Thompson, Cainsville, Mo.; and L. E. Waddell, Kansas City, all scored 24. The flyer cup was redeemed at the end of the contest and will be offered in open competition later this week.

E. M. Nutting, Los Angeles; Frank Hughes, Bridgeport, S. D.; and W. G. Warren, Chicago, scored 23 targets each. Baggerman was one of seven who scored 22. Three hit 21 targets, three 20 and one 13.

Garcia Wins Decision

Baltimore, Feb. 9.—Bob Garcia, Camp Holabird, was awarded the decision over Lew Mayres of Baltimore at the end of a 12-round contest here tonight.

Wilco A. A. to Abandon Annual Indoor Track Meet

New York, Feb. 9.—The Wilco Athletic association announced today that it would abandon hereafter the annual track meet which has been a feature of the indoor season for the last five years. Hugh Hirschman, director of the association, explained that personal business reasons obliged him to forsake the event.

AT THE THEATERS

Mr. Gallagher and Mr. Shean, in person, as stars in a special version of the "Greenwich Follies," will come to the Brantley theater for four days, commencing Sunday, February 15, with special matinees on Wednesday.
