Statistics Show Market Week Is Record Breaker

Wholesalers Are Enthusiastic Over Success; Heaviest Sales in Years Reported.

Merchants' Market week closed Thursday night in a blaze of glory. The four-day event was the largest, both from attendance and buying, in the history of the committee in

"It is impossible to hold the prize contests in any place in Omaha outside of the Municipal auditorium, Percy Powell said.

This was evident by the large crowd of visiting merchants in Omaha at Hotel Fontenelle ballroom Thursday

The crowd couldn't get inside the ballroom and packed the entire mez zanine floor,

success of Market week and many of them reported record sales.

Blackledge and a vocal solo by Miss Margarie Alter. Miss Dorothea Everson played the piano. Refreshments were served by the officers and year book committee of the club.

Prosperity in Next 5 Years Is Seen by Thayer

American Telephone and Telegraph Company Official Guest of Honor in Omaha.

H. B. Thayer, chairman of the board of directors of the American Telephone and Telegraph company, was a guest of honor at the function was granted a divorce in district court of the Greater Omaha committee Frifrom W. H. Bacon on grounds of day noon at the Brandeis restaurants. Frank Judson, chairman of the com-

> "Our legislature just passed the gasoline tax law." said Judson in introducing Thayer. "We are going to have such good roads that probably people will drive over our pavements to deliver their messages instead of using the telephone."

"Transportation and communicafarmer residing near Columbus, died tion go hand in hand," said Thayer. "We are expecting a period of rea-

years," he said. Natural Monopoly?

"The nature of our business is such that it is naturally a monopoly," said Thayer. "As you know, there is nothing people are more critical of than the thing they can get only in one place. Realizing this, we try to do the best we can in furnishing servabout our business.'

Thayer said war brought higher prices, which meant that the rapidlyexpanding Bell system had to build under high costs, necessitating rates adequate to meet this high construction and operating cost.

345,500 Stockholders. A few years ago a campaign was aunched to spread the stock in the 500 owners. Thayer complimented the Greater
