REDS' MANAGER HAS HIGH HOPES FOR HIS TEAM; SAYS CLUB IS DUE FOR THIRD POSITION OR HIGHER

Mays, Luque, Rixey, Sheehan and Pete Donohue Expected to Give Reds Much-Needed Mound Strength—Youth and Speed on Team This Season.

By The Associated Press. CINCINNATI, March 16.—Jack Hendricks, manager of the Cincinnati National League baseball club, believes that he has the greatest pitching staff in his circuit and that the Reds will finish in third place or higher. "A year ago this time there were dark days in the Reds' training camp," he said today. "It was then that Pat Moran died. Cincinnati had been fed up on a championship ball club that it did not have. This is no alibi. While the team suffered terribly from illness and injury yet it did not have the ability to finish higher than it did. It was aging—that team—lacking of speed cost many close games. "Now we have added speed. The morale is higher. The spirit is better. No club has a chance to get anywhere without spirit. It is my belief that it is not necessary to have an all-star cast to win if you have the spirit on your team. "In Zimman, the young outfielder purchased from Newark, Dresden bought from St. Paul and Critz, who started for us last year, we have started right in getting youth and speed on the club. "The death of our field captain, Jake Daubert, was a great loss. We are not experimenting with Bressler at first base as the public thinks.

Maker of State High School Champs at Omaha Tech; Basketball Latest

Coach Drummond's His Name—Fine Fellow and Regular Coach—Directs Athletics at Tech.

STEP right up, folks, and meet the maker of championship high school athletic teams of Nebraska. Don't know his name? Well, we'll introduce him to you. "Mr. Reader, meet Mr. James Drummond, coach of Technical High school. "Now that that is over with we will go on with this yarn. Coach Drummond first started winning championships at Tech years back in 1920. That was the year Tech was stacked up with players and Drummond molded together a city champion football team. The Maroons rolled out to the far end of the state to play Cambridge for the state championship. The long train ride was too much for the Techsters and they lost. Last year, however, Drummond's football team won the state title by defeating Cambridge and Omaha Central. Drummond has been more successful in his training of the basketball team at Tech. He put the Maroons on the cage map in 1919 and again in 1920 when his teams battled into the finals only to lose the title that was within their grasp. In 1923 the Maroons won the state basketball championship and again in 1923, and the present title makes them a winner three times. In 1922 Tech clinched its first baseball championship. Not being content with winning it one year, the Maroons continued winning championships in 1923 and 1924. Tech has won the Tech high school basketball championship since 1919. Drummond has turned out three championship basketball teams, one football championship team, and three baseball championship teams, making seven.

Amateur Body Would Bar Nurmi

Hartford, Conn., March 15.—The Connecticut Amateur Athletic Union for the suspension of Paavo Nurmi, following the Finnish runner's failure to appear at a track meet here in which he was to participate yesterday. This announcement was made today by Thomas Tracy, secretary of the Connecticut body. "Although Hugo Quist, Nurmi's manager, gave illness as the reason for the runner's nonappearance, the Connecticut A. A. U. is not satisfied, declaring that there have been reports that Nurmi would save himself for his appearance in New York Tuesday. A special meeting of the Connecticut A. A. U. this week is expected to develop discussion regarding the failure of the committee in charge of the meet to announce before the doors of the hall were opened that Nurmi was not coming. Secretary Tracy said the committee was aware of the fact in time to notify the crowd.

Kearns Ready to Receive Offers for Title Bout

NEW YORK, March 16.—Willie Jack Kearns, manager of Jack Dempsey, in New York, was expected today that numerous offers would be made for a bout featuring the champion to be held in the late summer at an open air arena in this vicinity. Charley Henderson, promoter of a Long Island stadium, conferred with Kearns, but Kearns said no definite proposition was made to him. Jimmy DeForest, newly appointed matchmaker of the Polo grounds A. C., was to meet with Kearns and elaborate on the offer of the "greatest sum" Dempsey ever received for a fight. Tax Rickard also is expected to make an offer for Dempsey's services.

The main event will bring together Morris Schlaifer and Jack Britton.

TIGER FIVE WINS EASTERN TITLE

New York, March 15.—Pennsylvania's victory over Princeton Saturday night at Philadelphia, 29 to 23, provided a sensational climax for an interesting season in the Eastern Intercollegiate Basketball League. The victory gave the Quakers a tie with Dartmouth and Columbia for second place, Princeton winning the title with nine victories and one defeat under the coaching of Al Wittner. Lemmon of Princeton, by a remarkable finish in which he scored nine points in a vain effort to conquer Penn and retain a clean slate for his team, captured the individual scoring honors, but his totals were far behind those of the brilliant Yale forward of a year ago, Sammy Pite. Lemmon scored 23 field baskets and 12 foul points for a total of 66 points against Pite's 29 field goals and 21 fouls for 99 points.

Injury Jinx at Work on Cubs; Maranville Hurt

VALON, Cal., March 15.—Rabbit Maranville will be lost to the Cubs for at least three months and the injury he received in yesterday's game in Los Angeles may cripple him permanently. The doctors were not exactly sure of how long he will be out of the lineup when the Cubs left Wilmington this morning. The accident occurred in the eighth inning when Maranville slid into the base. He caught his right foot on the staple that anchors the bag and something gave. He was carried from the field. An x-ray examination showed that the fibula bone in the right ankle was cracked. The bone was not completely broken, but ligaments were torn and physicians declared it would be two or three days before they could tell how long "the Rabbit" would be inactive. The injury to Maranville will be a severe blow to the Cubs. Maranville had instilled pep into the Cubs' infield. He also was acting captain of the nine and his advice had proved valuable to the younger men of the infield.

Handicap Races Come High at Tia Juana Track—Coffroth Event Will Cost More Than \$86,000

TIJUANA, Mexico, March 16.—President "Sunny Jim" Coffroth of the Tia Juana Jockey club puts down his pencil, takes a long look at the result found at the bottom of the column, meditates a minute while he re-vises the figures and then announces: "It will cost the Tia Juana Jockey club exactly \$86,612 to put on the Coffroth handicap day of racing." Probably the casual race patron does not have any idea that a big day at Tia Juana, such as that of Sunday, March 29, in which the sixth running of the Coffroth handicap will be the feature, means an expense of \$86,612. However, the figures are correct and come from the auditing department at the track have just turned into the Jockey club president. The greatest single item in the \$86,612 total is the \$50,000 added money for the Coffroth. This is supplied in cold cash from the Jockey club coffers. The stake, now the richest in America for horses of all ages, will be worth around \$65,000 to the winner. Last year the cost of the day was \$70,507, but this season the expenses are much heavier, an increase in the added money from \$40,000 to \$50,000 contributing \$10,000 alone. Another heavy expense is the cost of the home to the winning jockey in the Coffroth, this running into several thousand dollars. Then to top off the items mentioned, is the cost of the silver bucket to be given the winning thoroughbred, the salaries of the increased force in every department, for extra help will be used in taking care of the crowd expected to reach 25,000, the purses for the other nine races of the day, these being around \$7,000 and numerous and costly incidents. Alexander McIntyre, formerly a financial man with various circus corporations and other big amusement enterprises and now a member of the Tia Juana auditing department, declares that the \$70,507 cost of Coffroth handicap day greatly outstrips any daily bill of expense from a circus, football or baseball game in many other amusement enterprises.

GIANTS DEFEAT PHILLIES, 4 TO 1

Sarasota, Fla., March 14.—A powerful Giant machine, showing full strength for the first time this year, today beat the Phillies, 4 to 1. Excellent pitching in the pinches kept the Phillies at bay. Heavy stick work by the Giants, aided by characteristic Philadelphia errors, accounted for the victory. Philadelphia, March 16.—The Philadelphia National League baseball team today defeated the St. Louis Cardinals, 4 to 1, at the Municipal Stadium. The game was a close one, but the Giants' pitching was superior to the Cardinals' batting. The Giants' pitcher, who is generally conceded to be the best in the league, pitched a complete game, allowing only one run in the ninth inning. The Cardinals' manager, who is generally conceded to be the best in the league, was unable to get his team to score more than one run. The game was a classic one, and the Giants' victory was a significant one for the team.

Paavo Nurmi to Try for New 5,000-Meter Mark

NEW YORK, March 16.—Paavo Nurmi, the Finnish flash, will attempt to break all existing records for the 5,000-meter run at the Knights of Columbus games in Madison Square Garden Tuesday night. Instead of trying to better the mile mark, in order to give Nurmi the best of the break, the 5,000-meter event has been placed first on the program. The committee, according to the announcement, believed that if the original program of starting the races with mile runs were adhered to, Nurmi, who is generally conceded to be the best in the world, would have had a chance to break the mile mark.
