Jack Britton, former welterweight champion, who meets Morrie Schlaifer in a 10-round bout at the Auditorium tonight, predicts he will end the career of the famous slugger to-night.

"I am in the best shape of my career, and after watching Schlaifer fight on the coast, I am sure I can knock him out and prove to him beyond any doubt that he is no longer a first class fighter," said Britton.

On the other hand, "Packy" Gaughan, manager of Schlaifer, announces that his protegee is in the best shape of his career and the fight on the coast should be discounted, as the climactic conditions were against Morrie, and he would not be a bit surprised if Schlaifer stopped Britton tonight.

"From all indications the fight should be one of the best ever staged here," Morrie has not missed a morning of roadwork since the fight was announced, and for the first time in years he has taken his work seriously," said Gaughan.

Advance seat sales indicate that a large crowd will be on hand to see the famous fight, and it is expected that the famous slugger will be knocked out, as the words spoken by Jack Britton are true.

In the semi-final of the show, Mike Rozgall, pride of South Omaha, who last week defeated Mike Dale, conqueror of Royal Coffman, will meet a worthy foe in Satchel Liston of Council Bluffs.

Nearly as much interest is being shown in the first prelin between Everett Strong and Carl Augustine as in the main event.

Strong, who has not lost a fight since making his appearance here, will tackle a real fighter in Carl Augustine, who is still remembered by the fans from his sensational fight with "Batling" Monroe here a year ago.

In the special event, Tommy Grogan, the fighting grocery boy, and Frankie Lenz of Lincoln will battle the six rounds for the featherweight championship of the state.

TECH TANKERS MEET LINCOLN

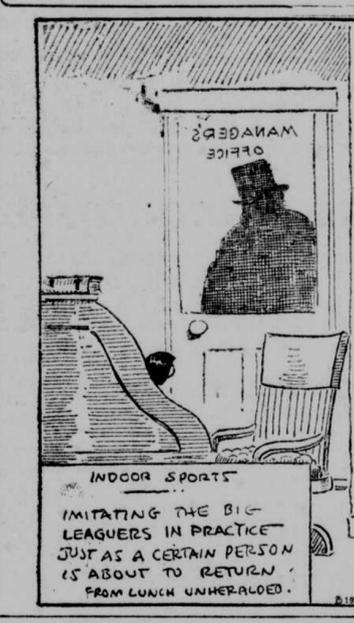

Coach Hubbard's Tech High swimmers will get into action tonight when they go to Lincoln to meet the high school team in a dual meet. This should be a close and interesting affair. Tech being a slight favorite because of beating Lincoln in the opening of the year.

Besides taking along the regular team Coach Hubbard will take a second team to meet the Lincoln seconds in a preliminary.

St. Louis, March 19.—Members of the St. Louis Browns at the Tarpole Springs, Mo., camp were reported the night of condition for the game with Brooklyn today and home to make the bird straight win from the Dodgers.

Home Room Cage Tournay Starts

Tech High first team, Central first team, Central seconds and South High won their opening contests in the inter-home room basket ball tournay now in progress at Tech High.

The best game played in the opening round was between the Tech High seconds and the Central first team. Central won the game in the last minute of play when Thompson sank a couple of lucky baskets. The Tech team led until the last minute, but were too weak to hold the lead.

Nelson was the outstanding player for the losers, shooting two baskets and a free throw.

In another good game the South High Packers nosed out a victory over the Creighton Preps by the score of 32 to 9. The Tech High first team had an easy time with the Benson lads, trimming them by the score of 32 to 9. Wendell, for the winners, caged eight baskets. In the last game the Central seconds beat North, 19 to 12.

The semi-finals will be played this afternoon. Tech first team meets South in the first game, and the first and second teams of Central meet in the second game. Finals will be played Saturday afternoon at the Tech gym.

"Red" Grange Turns Down Ice Wagon Job

CHICAGO, March 18.—Harold (Red) Grange, who made the well known cake of ice famous as a result of his labors on an ice wagon last summer to condition himself for football, decided today not to swing the tongs next summer. He is going to sell insurance and will accept a full time position with the company when he graduates in June next year. The University of Illinois all-American halfback turned down several alluring offers from the movies.

BASEBALL CALL AT TECH HIGH SOON

Coach Drummond, Tech High coach, will make his first official call for baseball candidates next Monday afternoon at the Tech High stadium.

Coach Drummond has only one veteran to start the year with. He will have to work out a strong team around many West to cinch another baseball championship.

Although there is only one man from last year's squad, there is good material which should fill up the vacant positions. Prerost, Millhollin, Reis and Bagley will be the likely candidates to fill the infield positions.

The outfield jobs are undecided, with many good men trying for berths. Nelson looks like one of the best dependable catchers. West, McDermott and Caccopio will compose the pitching staff.
