

Husker Track Athletes Given Final Tryouts Preparatory to Stanford Meet

Good Time Made on Slow Track by Cinder Artists

Coach Schulte Withholds Names of Men Making Western Trip; Locke Shows Well in Century.

INCOLN, March 28.—Coach Schulte's track men ran in final tryouts here this afternoon for the Leland Stanford track meet at Palo Alto, Cal., on April 4 on a field that was made rather heavy by rain and cut down the speed of the cinder men. Coach Schulte announced after the meet that he would not select the 22 men to make the trip to California until Monday evening. The Huskers will entrain at 6 p. m. Tuesday on the Burlington and will probably have a workout at Denver and will also workout on the track at the University of California at Berkeley Friday morning or afternoon for a limbering up before the dual meet on Saturday.

Locke, the star sprinter, made the 100-yard dash in 9 3/10 seconds on the stadium outdoor track this afternoon, winning nicely in a dash with Daily, Healy and Manary, who ran in the order named. One of the surprises of the afternoon was the race put up by Houdersheldt in the 880-yard run when he stepped it in 2:01, leading Jimmy Lewis, the Husker star half-miler, by a good distance; Breckenrider, third; Dexter, fourth, and Tapscott, fifth.

Searles, a freshman, ran away from Zimmerman, who holds the indoor stadium track record for the two miles, making it in 9:53 9/10. Lawson was second, with a time of 10:11 1/10. Zimmerman was third and McCarteen, fourth. Searles looks like a real star in the two-mile event, but cannot compete this year.

Jimmy Wilcox, Omaha Baseball Player, Dies in Pittsburgh

Jimmy Wilcox

WORD was received last night of the death of James Wilcox, Omaha third baseman. Jimmy died at 12:40 Saturday afternoon in a Pittsburgh hospital. Wilcox joined the Omaha club three years ago. He came from the Southern association. During the time he was with the Buffaloes, "Jimmy" developed into one of the best third basemen in the league. Last season he played good baseball. About the middle of the season, Wilcox injured his side sliding into third base. He was on the bench for a short time, then returned to the game and played a big part in the Omaha club winning the Western league pennant. Last winter Wilcox became ill with pneumonia and little hope was held for his recovery. He recovered, however, only to complain of his side. The popular Omaha third

Chapman to Claim Kaplan's Title

Boston, March 28.—Charlie Cardo, manager of "Red" Chapman of Chelsea, a featherweight who recently defeated Johnny Dundee in Boston, announced today that Chapman will claim the world's featherweight championship. His action is based on the claim that Dundee, who laid down the featherweight mantle several months ago, was in competition and would remain champion until actually defeated by a boxer in the class. Dick Kaplan of Meriden, Conn., chosen as a result of a recent tournament in New York, has been generally recognized as featherweight champion.

Chapman was within the limit of the featherweight class at the official weighing in time and so in defeating Dundee, he took over Dundee's claims to the title. Cardo said, "State boxing commissions cannot make world champions, and Dundee, because he is still in competition, remained champion until he lost to Chapman Monday night. Now Chapman will claim the title because he has earned it."

Newcomers to Western League

BILLARD EUGENE TYRELL. Catcher. Born at Benton, Ill., January 13, 1902. Height, 6 feet. Weight, 170 pounds. Bats right-handed. Throws right-handed. Club in 1924: Arkansas City, Southwest league. First assignment: Salt Lake City, Pacific coast league, 1921. Club in 1922: Chicago, independent team, 1922; Los Angeles, Arkansas City, 1923; Los Angeles, 1924. Record, 1923: 103 hits, 40 runs, 80; 1924: 101 hits, 24 runs, 11 home runs, 31 sacrifices, 209 at bats, 100 hits in 155 innings on the mound.

Scrambled Spots

REPORTS from the spring training camp of the Omaha Buffaloes, champions of the Western league last season, are not very encouraging. "It is true that the scores of exhibition games mean little, but at the same time the pre-season contests reflect somewhat on the strength of the team competing."

The Omaha club has been having trouble with pitching in its exhibition games in each park except the hurlers haven't been anything to boast of. This may all come out in the wash, so to speak. We hope so. Omaha had a good ball club last year, but didn't draw any too well at the Fifteenth and Vinton street ball park. The Buffaloes played before good crowds in each park except their own backyard. With a good club and small attendance in 1924, one wonders what will happen if the 1925 Buffaloes turn out to be a second division team.

Barney Burch, owner of the club, is paying for his Western league championship. Harry Lee, one of the leading pitchers in the Western circuit in 1924 and a member of the Buffaloes, is a holdout. He hasn't come to terms with Burch and it is likely he will remain on the outside until Barney boosts his pay check. "Chief" Robinson, outfielder, was termed a holdout. The "Chief" finally came to terms. Whether he got an increase in salary we don't know.

Tunney Easy Winner; Beats Pittsburgh Greb

By The Associated Press. St. Paul, March 28.—Whatever doubt existed as to the superiority of Gene Tunney, American light-heavyweight champion, over Harry Greb, former holder of the title, was dispelled today as a result of Tunney's decisive victory over the world's midweight titleholder here last night. Tunney gave Greb as thorough a beating in his 10-round no-decision bout as he ever received. So completely was Greb outclassed and out-fought in six of the 10 rounds that he resorted to a defensive fight after the third, and thereafter was guilty of persistent holding and stalling, varied only by a rare flash of offensive fighting which Tunney quickly terminated by a devastating body attack.

Greb's credit, he showed remarkable assimilative powers in standing up under Tunney's vicious attacks. CARL AUGUSTINE, the St. Paul boxer and stonewall, who was knocked out by Everett Strong in a bout at the Auditorium, wants to come back to Omaha and meet "Billy" Uvick's fighter. It is a return fight, Augustine, via his manager, J. C. Augustin, says he is anxious to get a return engagement.

BOROTRA MAY WIN INDOOR NET TITLE

New York, March 27.—A new national indoor tennis champion is expected to be crowned in the annual tournament opening here tomorrow. Vincent Richards, youthful holder of the title, for the last two years, will not compete and it is possibly here of America's ranking first 10 in the field, of 62 starters, tennis followers see strong indications that the title quest of Jean Borotra of France, winner of the 1924 Wimbledon tournament will be gratified.

'Jug' Browne Furnishes Large Part of Excitement With Shifty End Runs; Final Spring Practice.

INCOLN, March 28.—Coach Bearg put his Husker football candidates through a workout this afternoon in the final practice of the Spring football before several hundred fans. The "Reds" first string went out against the "Whites" in some hard scrimmages. The two lines battled on a fairly even terms with the backfield of the Whites showing up well. "Jug" Browne, the former high school star, at halfback furnished a large part of the excitement with his shifty end runs. Brown, from present indications will be one of the Husker varsity backs this year. Glen DeWitt made some pretty runs and scored a touchdown through a field of tacklers. He looks like varsity timber.
