# and DRAPERIES

The expressions of satisfaction and the enthusiasm of hundreds of our customers was ample proof that the Wholesale "Smith" merchandise, at the prices we have put upon it, constitutes this year's big opportunity to purchase floor coverings and draperies at a saving.

The fact that the merchandise is new-some of it "in transit" only a few weeks ago, makes the offerings especially desirable. As this advertisement is being written, very active selling is going on and can go on for a week because of the large reserve that backs up 90 per cent of the goods displayed.

Savings are greater than in the ordinary sale because this is a wholesale stock bought at a very low figure.
