Dr. Karl Jarres Leads Field of Candidates in Sunday Balloting.

By The Associated Press. Berlin, March 30 .- Final returns from yesterday's presidential election in Germany, announced this morning show that none of the seven candl dates received a majority, as required by the constitution, making a second election necessary. The second poll ing day has been fixed for April 26. On this occasion the candidate hav ing the highest number of votes will

be elected. The polling of the various candidates yesterday was as follows: Dr. Karl Jarres, candidate of the

combined nationalist and conservative bourgeois parties, 10.387,323, Otto Braun, socialist, 7,735,678,

Former Chancellor Marx, contrist,

Ernst Thaelmann, communist, 1, Premier Hellpach of Baden, demo

cratic party, 1,565,136. Dr. Held, Bavarian people's party

1.003.278. General Ludendorf, facist party 284.471.

Void ballots, 34,152.

The total vote, in excess of 26,812, 000, is slightly 69 per cent of the qualified electorate. The greatest gainers in the election were the socialists, who profited at the

expense of the communists. Only at Halle, where the communists' campaign was inaugurated by a shooting affair at a mass meeting, were the communists the gainers, their vote there increasing 30 per cent over last December's parliamentary polling. On the face of the returns it would seem likely that the three mid- with dle parties-the socialists, centrists and democrats-could carry the second election if they combined on a com mon candidate, even if the votes which yesterday went to Dr. Held and General Ludendorf fall to the parties
