

## EASTER

ALL PHOTOS BY  
*Louis R. Bostwick*

The favorite flower of Easter, the lily.

Lily plants cultivated so carefully that they reach full bloom just at Easter time.

The kiddies' Easter favorite.

The lily's only rival as the flower of Easter—the hydrangea.

Perfection in the hydrangea plant.

Acre of glass to produce the Easter lily and hydrangea. This greenhouse, located in Council Bluffs, is the largest producer of Easter lilies in the world.

Spring opening also comes on Easter.
